A COMMENT MADE

... at a recent School Board meeting by a woman in the crowd went something like this: "... if you all would provide us jobs. . ."

I don't know who she meant exactly when she said "you all," but for her and the rest of our fair city--all residents--let me elucidate thusly:

Back in 1941 the Hondo Chamber of Commerce worked hard to get the Airbase here. That one feat has meant more jobs in Hondo in the past 30 years than any thing else.

Chamber and City officials worked with Universal Rundle or its predecessor in locating in Hondo. Chamber and City officials worked with Gary Aircraft Corp. in locating in Hondo. Chamber and City officials worked with the Air Force and Del Rio Flying Service in locating here. They worked with the Weather Service in locating the weather station here. They are working with industry at the present time in an effort to get them to locate in Hondo.

Efforts have been made to seek state programs that would provide training for area residents as well as aid in attracting industry.

But I can guarantee that lady as well as the rest of Hondo this school mess does not make the job easier. In fact it hurts our chances. So if we lose industry through these actions, who gets hurt in the long haul? The people who could have been employed, that's who.

Despite the feeling in some quarters that such things as interesting industry to move here can be accomplished by waving a magic wand, it just isn't so.

So to the lady who made the comment and to others who might have the thought: many persons hold jobs in Hondo today because someone cared enough to work in getting industry located here. We will continue to do so. I personally would like to get enough industry to employ every person in Hondo who needs a job.

But remember also, that industry looks at the town as a whole, and you can wager your last protest that they will tend to shy off from a city that is kept in needless turmoil.

And who suffers? Every person who needs to have gainful employment; the entire town; and especially the young people who have to leave Hondo to find jobs.

WHAT A DIFFERENCE

... creative thinking and desire can make to an old building.

If anyone wants proof just take a look at the corner of 17th and Avenue K where Woody Glasscock and his Gallo Construction Co. has transformed the old buildings into an attractive corner. And I don't think they are through yet.

Which provides me an opportunity to get on my soapbox again about what could be done with our main downtown section with a little thinking.

There is no doubt in my mind but what a central theme for the downtown buildings, and especially those along 18th Street, could make Hondo a show place. I believe we would have people coming here just to see how a "forward-thinking, progressive town joins hands to put its best foot forward."

FRIEND JOE

... begins a letter slipped under our door early Monday by "Doc" O. B. Taylor of the well known T-C Service.

It continues: "Since we are in need of rain, I am going along with my old faithful moon, with Friday, March 8, giving us that change at 4:03 a.m.

"In other words 'early morning moon change'--My Favorite. "So, on or about that day, let's hope and pray for what we need. Yours, O.B.T."

Doc, I believe everyone fervently hopes you are right on this score. And to help you be right, I think everyone should add their prayer to the effort--even those of us who, long ago through our own inaction, developed a serious communication gap with the Man up there at the other end of the prayer line.

COLONEL WILSON E. SPEIR

... who does a fine job of directing the Texas Department of Public Safety, is disturbed.

And I am glad he is. Especially since he is disturbed about something that has disturbed me for weeks--those Texas [and out-of-state] drivers who whizz down the highways at speeds above the new 55-miles per hour limit.

I have written about this before and am certainly glad to see that Col. Speir has become so disturbed by the many complaints he is receiving from Texans who want to do what is right that he "has directed DPS troopers to intensify their enforcement efforts."

In a release, Speir said he has "received numerous reports by motorists who are complying with the new law who are frightened and angered by others who pass them at speeds dangerously above the legal limit, and still others who 'tailgate' them when they can't pass for one reason or another."

I guess I fume and cuss more than anyone when I'm on the road driving 55 and trying to conserve fuel so that we might not be forced into rationing. It just irks the billy heck out of me to have car after car whizz by at speeds that literally gulp gasoline.

Now, I don't like to drive 55 mph any better than anyone else. But it does save gasoline. It does save lives. And it is the law. So I believe we should all be in this darn mess together.

Therefore, it makes me hilariously happy to know that Col. Speir's boys with the big hats are going to get rougher.

A LETTER

... Ray and Hildegard Rexroad, and their children Tris and Michael, tell us they arrived in Florida in fine shape and are enjoying their new home. On the way they stopped by Biloxi, Mississippi [Keesler AFB] and say former residents T/Sgt. and Mrs. Pete Pike and their tiny one are doing fine.

They said tell "Hondo hi". They also gave us an account of their journey through Disney World there at Orlando where they now live. I'm sorry that space does not allow the full reprint. Suffice it to say, if you are ever in that neighborhood enjoy Disney World, and give the Rexroads a call.

New company to send laser beams around football world from here

If everything goes as planned Hondo laser beams will in the near future be taking the "guesstimate" out of a main phase of the game of football--that phase where the official downs the football after an advance.

Sports Lasers, Inc. Tuesday night was given a contract to lease 32 acres of airbase property by the

City Council, and Chuck Carlock, president of the corporation, says they will begin operation as soon as possible.

First step in the operation, according to Carlock and the firm's attorney Allen Lee, is to build a 4,000 square foot building on the property, which is located from the

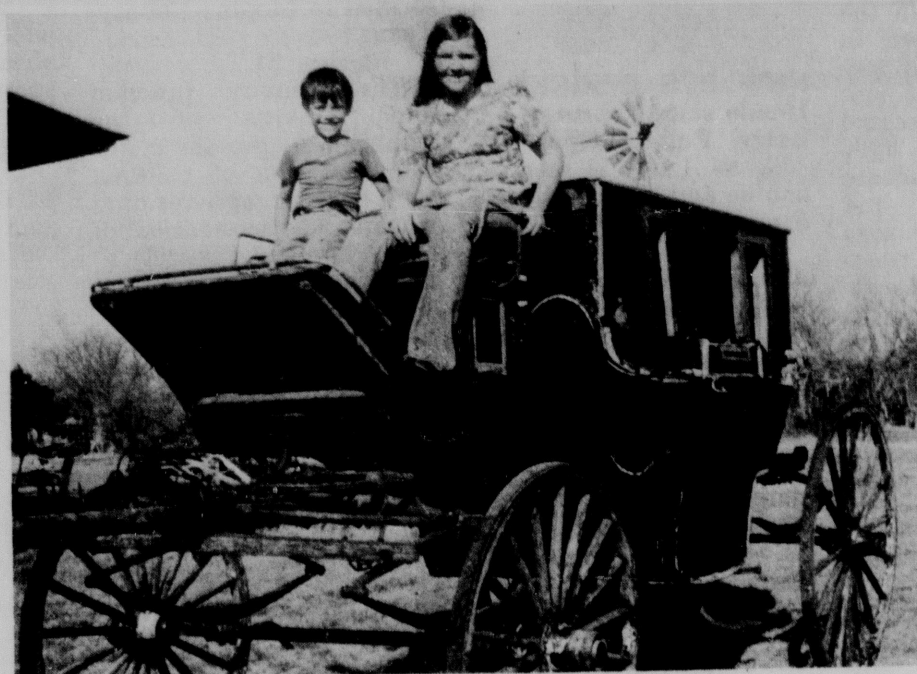

DeMontel warehouse south to the Winter's Trailer Park, west to Castro Avenue, north to Bob's Bowling Lanes and east to that portion south of DeMontel's.

"We should employ about 15 to 20 persons in production," Carlock said. "Although we will not actually produce the equipment

here, we will assemble and test it in Hondo. Our personnel should also include 12 to 15 persons in clerical, sales and administration."

Carlock said the payroll should be approximately \$200,000 annually at the start. "Of course we hope to increase that in the next three

Hondo, Medina County, Texas 78861, Thursday, March 7, 1974

School district to show cause

A group of spokespersons for the Hondo school board issued a Monday statement that they will defy a court order obtained Friday by the Hondo Independent School District restraining the group from holding students out of school.

Defiance of the order carries punishments of fines or possible imprisonment.

Citing two snags in negotiations with the School Board, the group decided to continue the walkout

despite the temporary restraining order, although the same day, Superintendent Flory said that 26 students had returned to classes.

The two problems concerned the presence of students on a negotiating team with the School negotiators, and the granting of excused absences to students taking part in the walkout. Both were not agreed on by the Board, whose own preconditions to negotiations were also rejected by

the group.

To end the walkout, School officials petitioned 38th District Court Judge Ross E. Doughty for a temporary restraining order against 23 parents and one student, charging them with violating the Texas Compulsory School Attendance Laws by keeping their children out of school.

The order was granted Friday, with provision that a hearing will be held Friday, March 8, to

possibly issue a temporary injunction against the parents.

Meanwhile, the groups lawyers have petitioned the court to dissolve the restraining order at the same hearing.

Texts of both petitions are as follows:

TO THE HONORABLE JUDGE OF SAID COURT:

Comes now Hondo Independent School District, hereinafter called Plaintiff, complaining of the following named Defendants, who reside in Medina County, in the City of Hondo, at the addresses listed opposite their names, to-wit:

Irma Torrez, 1502 Ave. A; Lucio Torrez, 1502 Ave. A; Isabel Correa, 1107 Ave. P; Eligio Correa Sr., 1107 Ave. P; Oralia Cortinez, 808 Ave. S; Manual Cortinez, 808 Ave. S; Rosalinda Rendon, 803 21st St.; Jesse Carmona, 813 Ave. S; Jacinto Sanchez, 1101 Ave. S; Mrs. Juan Coronado, 1302 Ave. A; Jose Perez, 1501 22nd St.; Felix Correa, 428 15th St.; Mrs. Jose Perez, 1501 22nd St.; Carlos Garcia, 1404 14th St.; Onesimo Flores, 401 15th St.; Henry Maldonado Jr., 1613 13th St.; Mrs. Raul Pina, 2111 Castro Ave.; Gregorio Torres, 411 16th St.; Gilbert Rico, 1505 12th St.; Ramiro Benavidez, 806 18th St.; Mrs. Jacinto Sanchez, 1101 Ave. S; Jesse Carmona, 813 Ave. S; Santos Cortinez, 1610 13th St.; Anselmo DeLaCruz, 421 16th St., which said Defendants may be served with citation and notice herein at the

Ballot placements drawn

Ballot placements were drawn Monday for candidates in Medina County races.

Handling the chore in Devine of drawing names for placement on the ballots were Frank Bain, Howard Wallace, Sid Malone, Louis Ehlinger and John Savage, all of Devine.

In unopposed County races are County Judge Jerome Decker, District Clerk Francis Bohl, County

Clerk Cornelia Koch and County Treasurer Milton Mechler.

Other placements by race show: County Tax Assessor-Collector--Bobbie Parks, Leon Mangold. Commissioner Precinct 2--Jerome F. Noonan, Leon Tschirhart. Commissioner Precinct 4--Robert L. Busby, Lester M. Delbrail, David Odum, Tobey C. Tomblin, Joe F. Smith.

Justice of Peace incumbents in Precincts 1, 3 and 8 are unopposed. They are, respectively, Harold Herring, Daniel Ruempel and John V. Parma.

Other JP contested races include these ballot placements: Precinct 5--Sims Stribling, Frank L. Crawford, Bob McGowen.

In Constable Precinct 5 the ballot will look like this: R. S. Bob Weber, William A. Bill McBee, O. C. Connel.

Vargas killed Friday

Guadalupe C. Vargas, 32, of Castroville was killed instantly early Friday morning when his automobile went out of control and hit a bridge abutment east of Castroville.

Police officers say Vargas' vehicle was traveling west on Highway 90 shortly after midnight Friday morning, apparently at a high rate of speed, when it left the road on the right side.

After travelling 647 feet it recrossed the highway to the left and traveled another 200 feet before slamming head-on into the concrete apron of a bridge 3.3 miles east of Castroville.

The wreck was not discovered until Friday morning, when Justice of the Peace Dan Ruempel pronounced Vargas dead at the scene at 10:20 a.m.

Torrez files

Lucio D. Torres has filed for the office of City Councilman, Place 5.

He will oppose incumbent G. E. (Pete) Pedroza, who has also filed for re-election.

Poerner tickets selling

Ticket sales are going briskly for the big Chili and Tamale Supper honoring Rep. John Poerner in his race for Congress, according to Albert Vance, chairman of the sponsoring organization.

The event is slated for 7:30 p.m. at the American Legion Hall in Hondo and is billed as a fund-raising affair. Tickets are \$5 per person and may be obtained from several sources, or by calling 426-3112 or 426-3346.

Mergele seeks office

Ed Mergle, Kendall County rancher and businessman, has filed for State Representative in District 45, which is being vacated by John Poerner.

The 45th District is composed of Bandera, Blanco, Frio, Hays, Kendall and Medina counties, plus a small portion of Northwest Bexar County.

Mergle is a fifth generation Texan and has lived in the area all of his life except for service with the U.S. Navy during World War II and the Korean War and while attending the University of Texas.

He lives on his working ranch north of Boerne in Kendall County with his wife, Mary Lou, and three of their four children; their oldest son is a senior at the University of Texas at Austin.

Dedicated to public service, Mergle is determined in his bid for the Legislature because he wants to play an active role in solving the many vital problems facing Texas now and in the future, particularly in the fields of energy, rising prices and shortages.

Three file in school election

Three names were added to the ballot for the Hondo Independent School District's Board of Trustees election set for April 6.

The names placed on the ballot are Irma L. Torrez, who will oppose incumbent Lloyd Hardt for Place 5; Ruben Alvarado, who will oppose incumbent Jack Been for Place 6; and Frank L. Garcia Jr., against Judge E. Sandusky, incumbent in Place 7.

A SPRY 100 YEARS OLD. . . is Mrs. Regina Mueller, who celebrated her centennial birthday Friday at Brown's Nursing Center. She is the first centenarian since Brown's opened. On hand to help her

celebrate Friday was her son, Harry Mueller [right]. She was joined by other son Joe Mueller with another party and Mass on Saturday, actual anniversary of her birth.

Letters to the editor

Dear Mr. Editor:

I have been a resident of Hondo for 35 years, and attended Hondo School for eleven years. I started school at Westward School, which consisted of only Mexican-American children and even then, in my belief we did not have any sort of discrimination. As I recall in those days, we never used such words as Raza or Chicano, because (Raza is a word used in any nationality race such as English Race, Negro Race, and Mexican Race.) The word Chicano refers to a pigsty, (which means a pen for pigs.)

We should be proud that we live in a community where all our children are united together in one school and are treated as equal. If anybody is at fault about our school problems, it's us, the Mexican-American parents, because we have never taken enough interest in our school activities.

Now that we have more educated Mexican-American people, they should be helping our children to get a better education, instead of listening to outsiders from a community who could not compare with ours. If they consider Crystal City a nice place to live, why don't they move over there, (and let us live in Peace.)

(Name withheld on request)

Dear Mr. Lawrence,

This is the only place I could think of to write my opinion.

Last Monday I went to the only open service station in town. There was one car ahead of me. When it was my turn the attendant told me they were out of gas. I believed him and left. I glanced through the rear view mirror and saw a car parked and getting gas. So I went around the block and parked in line again. There were two cars before me and both got gas. Just then the owner came out and asked me what I wanted. I told him gas. He told me they were closing. I asked him why the other people were getting gas if I had been there before them. He told me if I didn't like it to report him. He went inside but I couldn't leave because

there was a car in front and back of me. He came out again and asked me what I was waiting for. He stood there till I left.

I don't think that's fair. Whether we're black, brown or white, we all need gas. My money is just as good as anybody else's. If I knew where you can report such actions I would.

(Name Withheld on Request)

[Editor's Note: I'm not sure, but I believe you can report it to the nearest Internal Revenue Office. The gas situation has brought on much tension, but I agree with you that such discourtesy should never be shown anyone.]

Dear Mr. Lawrence,

I agree 100% with your editor's note to WOA1, but it should include all stations.

I am tired of the great town of Hondo being put down. Only the few rabble rousers are on TV these days.

We are not natives of Hondo, but we are very proud to call Hondo "home."

If our school is SO inferior - WHY have so many Hondo Hi Grads made the Dean's List or Honor Roll in college?

My boys have been paddled in school. So far as we can see the only way it has affected them, is to learn discipline. Where will we be without it?

If a teacher and a principal agree the child needs discipline, they must deserve what they get. I sure would not want a teacher to come to my home and tell me I can not punish my child.

We have a great school system, school board, teachers, sports program, ISL, etc.

I can only say, I'm sorry for the innocent children drawn into this boycott. THEY are the ones who will suffer for a lack of education.

Hopefully, we will all work together in the future to support our Superintendent, Principals and faculty to even a better Hondo School system.

Sincerely,
Claire Westbrook

Dear Editor,

The following is a response to the Familias Unidas (United Families) newspaper of Feb. 17, 1974. There are certain points we would like to make and give our opinion to the amended student demands made by the Familias Unidas. Points and opinions have been made in sequence with said article in newspaper by above party.

I. To begin with, in the many years we were in school, we never had any such trouble and not just when we were in school years back. We have associated with students through the years and have never heard or seen such discriminatory treatment as you claim. We do know that there was discrimination many years back. We finally united with the Anglos, but why do you want to separate again and set the Mexican Americans back 20 years when it's been so hard to come this far?

II. What is wrong with speaking only English when at school? What better way for practice—Mexican Americans talk enough Spanish at home. This has always been the rule, in the twelve years we were in school, this was never a problem.

III. In regard to the long hair, our school rules have always kept our kids well groomed and clean cut. There is plenty of time -- not only time, but also a place for this.

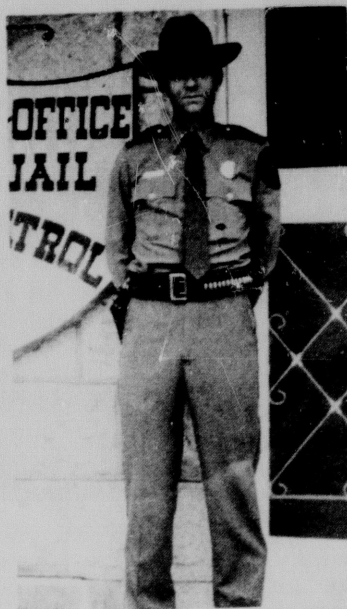

IV. If the School Board sees fit to such a demand, take the necessary steps to get this done, not by force or lies. Don't you think that the other races in our community have a right to demand bilingual or bicultural programs if you (UF) do?

V. The teacher will only encourage the child to eat -- since knowing by observation that on a day to day basis, a child receives one well balanced meal which is the noon meal. No one can possibly force feed a child.

VI. We have never heard of going to the superintendent for permission to visit a classroom only to the principal unless of course you have other intentions than just visiting. Why not ask permission; if a test is being given a visitor will interfere.

VII. If a Mexican American counselor is at hand with the proper qualifications, he or she would be hired. The problem is getting enough kids to stay in school and pursue a teaching career or any career for that matter. How many graduate and go on to college and stay there until they have their degrees? Instead of depriving these kids of school, the child should be encouraged daily to stay in school and pursue a career which will make him a valuable part of our society.

VIII. If books on

NEW DPS OFFICER in Hondo since February 8 is Larry Fulbright of 603 20th St. Larry is married, and he and his wife have a daughter, age 11.

Mexican American literature, etc. are to be available, then why isn't the Irish, Chinese, German, etc. culture also included in our schools?

IX. If May 5th and September 16th are declared a holiday for the Mexican Americans then let them attend school on Thanksgiving Day and Labor Day or move to Mexico and celebrate. There are more strings attached to declaring a holiday than going to the School Board; try the State.

X. This has always been possible, the concerned parent will go to the school to inquire about his child. How many have taken the time to attend PTA meetings or find out what is going on at school, especially when tests or Public School Week comes up?

In general, it seems you want to give the child an inch and soon they'll take a yard. Why not live with these rules? This will teach kids that there are rules and shouldn't be disobeyed. As they go through life, it will be full of rules; rules that will make him a better citizen, a better parent. It is problem enough with what our society is now with so many killings, rapings, robberies, etc. and what is this: breaking the rules and regulations of society. If they had been brought up to obey and live by rules, there wouldn't be so many broken homes and crime in our society or children complaining about rules.

In response to the letter written by the Brown Berets. Well, if you think you can live without the Anglos, prove it by quitting your jobs, stop buying from them and find a job with a Mexican American owned company. If you are using the type of language you displayed in your letter to teach the kids that you lead on the walkout, well good luck to them because they'll never be anything in society.

You claim you want to have jobs like the Anglos, get your education and then see if you don't have jobs like the Anglos, you won't be cleaning windows and scrubbing floors. Nothing is given to you, you have to work for it and that means sitting in a classroom for twelve years plus the years required to achieve a college degree and through rules. We should be appreciative of what we have and that there are dedicated people to the teaching profession to discipline our children and that programs have been added to our school for the betterment of our Mexican American children.

Many of the protestors in this "walk out" are dropouts regardless of rules or no rules. It is a shame that these people claim to be doing their part for the betterment of the Mexican American students when in turn are really hurting those that are really trying to become somebody in our society and not blaming their failures on others for example, the leaders of the Familias Unidas. For the worse part, they are hurting the children who haven't even gotten to school yet with such violent actions. To sum it up, "think before you act."

Mexican American Concerned Citizens (Names Withheld on Request)

More about . . .

School district to show cause

above listed addresses in the City of Hondo, Medina County, Texas.

I. Plaintiff, Hondo Independent School District, is an independent school district organized under the laws of the State of Texas, for free public school purposes only, the schools of which are located in Medina County, Texas.

II. The primary function and activity of the Plaintiff is providing for the education of children of scholastic age residing within the boundaries of the Plaintiff District in accordance with the provisions of the Laws of the State of Texas relating to public education. There are in excess of 1,800 children of scholastics age who reside within the boundaries of the Plaintiff School District and who attend the schools conducted by the Plaintiff. The expense of conducting the schools within the Plaintiff School District and of furnishing educational services and opportunities to the more than 1,800 children of scholastic age in such school district are obtained primarily from three sources, the first being from the local taxation, the second being funds received from the State of Texas, and the third being from grants from the Federal Government. State funds available to the Plaintiff school district for use in providing educational facilities for the children residing within the said district who are of scholastic age are derived primarily from two sources, the first being from the available school fund and the second being from the Minimum Foundation School Fund, distribution of both of which are on the basis of number of children in average daily attendance in the schools of the Plaintiff district during the school year.

III. The above named Defendants, except only Defendant Rosalinda Rendon, are the parents of children who are enrolled in the schools of the Plaintiff school district, but who are at present engaged in the boycott of, or strike against, the schools of the Plaintiff school district in violation of the compulsory attendance laws of the State of Texas. Said Defendants are sued herein both individually and as representatives of a class of parents of children similarly situated who have so absented themselves from attendance on the schools of the Plaintiff school district as hereinafter alleged. The parents and persons who constitute the class of parents of such children are so numerous as to make it impracticable to bring them all before the Court, but those sued as Defendants herein are sufficient to fairly assure the adequate representation of all who are herein sued as members of such class. Suit against such class of parents is brought under the provisions of Rule 42, Texas Rules of Civil Procedure.

IV. Defendant Rosalinda Rendon is an adult above the age of 18 years who is enrolled in the twelfth grade of the Plaintiff School District, but who has for several days been absenting herself from attendance on the schools of said school district and has been purporting to be boycotting or striking against the schools of such school district and refusing to attend the schools of Plaintiff school district. Said Defendant has not only been refusing to attend the schools of the Plaintiff school district but has been encouraging other students to absent themselves from attendance on the schools of the said school district in violation of the compulsory school attendance laws of the State of Texas, and as such has been causing and will continue to cause irreparable injury to the Plaintiff school district, unless restrained and enjoined by this Court

as hereinafter requested by Plaintiff.

V. In addition to keeping her own child out of school in violation of the compulsory school attendance laws of the State of Texas, Defendant Mrs. Irma Torres has encouraged the children of other defendants and the class to which they belong to absent themselves from school by way of strike or boycott in violation of the compulsory attendance laws of the State and in addition has actively engaged in transporting students of the Plaintiff school district away from the schools, to the damage of the Plaintiff as hereinafter alleged, and the said Defendant, unless enjoined and restrained by this Court will continue such unlawful conduct, to prevent which this Plaintiff has no adequate remedy at law.

VI. The named Defendants, excepting only Rosalinda Rendon, are the parents of children of scholastic age who are enrolled in the schools of the Plaintiff school district and who are required by provisions of the compulsory school attendance law of the State of Texas to attend schools of the Plaintiff school district, but in spite of the duty placed upon said named Defendants and the class they represent of requiring their children to attend the schools of the Plaintiff school district as required by the compulsory school attendance laws, said parents and the class they represent have failed and refused to require their children to attend the schools of the Plaintiff school district since on or about Monday, February 18, 1974. Such actions by said Defendants and the class they represent have aided, assisted and encouraged others in their unlawful action directed against Plaintiff school district in the maintenance and conduct of a strike or boycott against the schools of the Plaintiff school district.

VII. The aforementioned and named Defendants, and the class they represent, have agreed, combined, cooperated and conspired to persuade children of scholastic age, who are required to attend the schools of Plaintiff school district, to remain away from said schools, and to fail to attend said schools during the times they were required by law to be in attendance on such schools, for the unlawful purpose of coercing the trustees and the administrative authorities of the Plaintiff school district to agree to grant, accede to and comply with certain demands of certain of the Defendants, irrespective of the merits of such demands, the only alternative being the continuing absence of the children of such Defendants and the class they represent from the schools of the Plaintiff school district, with the accompanying loss of funds which would be caused Plaintiff by such action. Such activities on the part of said Defendants constitute an unlawful combination and conspiracy against the Plaintiff which will cause the Plaintiff irreparable damage to prevent which Plaintiff has no adequate remedy at law.

VIII. The continuing absence from school of the children of the above named Defendants and the class they represent will cause Plaintiff school district irreparable loss and injury due to loss of funds from the State of Texas which Plaintiff would otherwise be entitled to receive, such funds being from the Available School Fund and the Minimum Foundation School Fund, both of which are distributed to Plaintiff and other school districts by law on the basis of average daily attendance of scholastics in the schools of such district during the school year. Such damages to

Plaintiff school district will be in excess of \$5,000.00, and the total extent of such damages will depend upon the number of students who remain away from school unlawfully as the result of the said conspiracy and combination and the length of time for which they remain out of the schools of Plaintiff school district. Plaintiff has no adequate remedy at law to prevent such loss and an action for damages against the Defendants to recover any such losses would be futile, because it would require a multiplicity of suits, and in addition would apparently result only in judgments against large numbers of Defendants from whom it would be impossible to collect the amount of money damages in such judgments.

IX. Unless restrained and enjoined by this Honorable Court, the Defendants herein will continue to pursue their unlawful course of conduct previously alleged in the preceding paragraphs.

X. Plaintiff alleges that it has been damaged in excess of \$5,000 and that its damages as a result of the unlawful conduct and combination and conspiracy of Defendants may result in monetary damages of as much as \$25,000.00, or more. Plaintiff further alleges that the acts of the Defendants herein previously alleged have been intentional and with the purpose of causing harm and damage to Plaintiff school district, for which reason Defendants herein are liable to Plaintiff for exemplary damages in the sum of \$50,000.00.

XI. Unless Defendants are restrained and enjoined from continuing their present course of conduct, Plaintiff will suffer immediate and irreparable injury and damage before notice can be served on Defendants and hearing had hereon, to prevent which Plaintiff has no adequate remedy at law, because the Defendants are continuing their previously alleged unlawful course of conduct and are actively pursuing a course of endeavoring to induce students in the Plaintiff school district to join in their unlawful activities. Plaintiff is entitled to a restraining order without notice to prevent Defendants from continuing their unlawful course of conduct, from encouraging, persuading, enticing and assisting students in the schools of Plaintiff school district not to attend the schools of the Plaintiff school district, and from attempting to persuade students in the school of Plaintiff school district to absent themselves from the schools of the district and join in the illegal boycott and strike, and, after hearing, to a temporary injunction enjoining such action by Defendants until such time as a hearing can be had on the merits.

WHEREFORE, Plaintiff prays that the Court issue a temporary restraining order without notice to the Defendants restraining them and each of them from encouraging, persuading, enticing and assisting students enrolled in the schools of the Plaintiff school district from attending the schools of the Plaintiff school district, and from attempting to persuade students in the schools of Plaintiff school district to absent themselves from the schools of the district and join in the illegal boycott and strike, that upon hearing a temporary injunction be issued in the same terms enjoining Defendants from encouraging, persuading, enticing, and assisting students enrolled in the schools of Plaintiff school district not to attend the schools of the Plaintiff school district and from attempting to persuade students in the schools of Plaintiff school district to absent themselves from the schools of Plaintiff school district until such time as a hearing can be had on the merits.

WHEREFORE, PREMISES CONSIDERED, the foregoing defendants respectfully pray that the temporary restraining order be dissolved and for any other relief at law and equity to which they be entitled.

Respectfully submitted,

the district and join in the illegal boycott and strike, and that upon final hearing said injunction be made permanent, and that Plaintiff have judgment against said Defendants jointly and severally for the sums of money which have been lost by Plaintiff from the funds that would have been provided to Plaintiff from the Available School Fund and the Minimum Foundation School Fund by the State of Texas as a result of the unlawful actions of the Defendants, and that Plaintiff have judgment against said Defendants jointly and severally for the sum of \$50,000.00 exemplary damages; that citation issue to the above named Defendants commanding them to appear and answer herein; and that after appropriate hearing Plaintiff have such other and further relief, both at law and in equity, general and special, to which it may be justly entitled, together with all costs herein incurred.

J. C. Hinsley
Office Suite 301

Austin, Texas 78705
Attorney For Plaintiff

TO THE HONORABLE
JUDGE OF SAID
COURT:

Come now the Defendants Irma Torres, et al and move that the Temporary Restraining Order issued by this Court be dissolved. As grounds therefore, the Defendants would show the Court as follows:

1. The petition fails to allege that the Plaintiff will suffer irreparable damages;

2. On the contrary, the Plaintiffs have an adequate remedy at law;

3. A court of equity does not have the power to exercise its jurisdiction where there is relief through the criminal courts of the State;

4. The Texas Education Code provides for the enforcement of the compulsory attendance law. See Section 4.25, TEX. EDUC. CODE;

5. The plaintiff school district is not the proper party, by way of the instant civil proceeding, to enforce the provisions of Section 4.25 of the Texas Education Code, such authority being exclusively vested by law in the school attendance officer or a local peace officer and a court of competent criminal jurisdiction.

WHEREFORE, PREMISES CONSIDERED, the foregoing defendants respectfully pray that the temporary restraining order be dissolved and for any other relief at law and equity to which they be entitled.

Respectfully submitted,

Letters to the editor

Dear Mr. Editor:

I have been a resident of Hondo for 35 years, and attended Hondo School for eleven years. I started school at Westward School, which consisted of only Mexican-American children and even then, in my belief we did not have any sort of discrimination. As I recall in those days, we never used such words as Raza or Chicano, because (Raza is a word used in any nationality race such as English Race, Negro Race, and Mexican Race.) The word Chicano refers to a pigsty, (which means a pen for pigs.)

We should be proud that we live in a community where all our children are united together in one school and are treated as equal. If anybody is at fault about our school problems, it's us, the Mexican-American parents, because we have never taken enough interest in our school activities. Now that we have more educated Mexican-American people, they should be helping our children to get a better education, instead of listening to outsiders from a community who could not compare with ours. If they consider Crystal City a nice place to live, why don't they move over there, (and let us live in Peace.)

(Name withheld on request)

Dear Mr. Lawrence,

This is the only place I could think of to write my opinion.

Last Monday I went to the only open service station in town. There was one car ahead of me. When it was my turn the attendant told me they were out of gas. I believed him and left. I glanced through the rear view mirror and saw a car parked and getting gas. So I went around the block and parked in line again. There were two cars before me and both got gas. Just then the owner came out and asked me what I wanted. I told him gas. He told me they were closing. I asked him why the other people were getting gas if I had been there before them. He told me if I didn't like it to report him. He went inside but I couldn't leave because

there was a car in front and back of me. He came out again and asked me what I was waiting for. He stood there till I left.

I don't think that's fair. Whether we're black, brown or white, we all need gas. My money is just as good as anybody else's. If I knew where you can report such actions I would.

(Name Withheld on Request)

[Editor's Note: I'm not sure, but I believe you can report it to the nearest Internal Revenue Office. The gas situation has brought on much tension, but I agree with you that such discourtesy should never be shown anyone.]

Dear Mr. Lawrence,

I agree 100% with your editor's note to WOI, but it should include all stations.

I am tired of the great town of Hondo being put down. Only the few rabble rousers are on TV these days.

We are not natives of Hondo, but we are very proud to call Hondo "home."

If our school is SO inferior - WHY have so many Hondo Hi Grads made the Dean's List or Honor Roll in college?

My boys have been paddled in school. So far as we can see the only way it has affected them, is to learn discipline. Where will we be without it?

If a teacher and a principal agree the child needs discipline, they must deserve what they get. I sure would not want a teacher to come to my home and tell me I can not punish my child.

We have a great school system, school board, teachers, sports program, ISL, etc.

I can only say, I'm sorry for the innocent children drawn into this boycott. THEY are the ones who will suffer for a lack of education.

Hopefully, we will all work together in the future to support our Superintendent, Principals and faculty to even a better Hondo School system.

Sincerely,
Claire Westbrook

More about . . .

School district to show cause

above listed addresses in the City of Hondo, Medina County, Texas.

I. Plaintiff, Hondo Independent School District, is an independent school district organized under the laws of the State of Texas, for free public school purposes only, the schools of which are located in Medina County, Texas.

II. The primary function and activity of the Plaintiff is providing for the education of children of scholastic age residing within the boundaries of the Plaintiff District in accordance with the provisions of the Laws of the State of Texas relating to public education. There are in excess of 1,800 children of scholastics age who reside within the boundaries of the Plaintiff School District and who attend the schools conducted by the Plaintiff. The expense of conducting the schools within the Plaintiff School District and of furnishing educational services and opportunities to the more than 1,800 children of scholastic age in such school district are obtained primarily from three sources, the first being from local taxation, the second being funds received from the State of Texas, and the third being from grants from the Federal Government. State funds available to the Plaintiff school district for use in providing educational facilities for the children residing within the said district who are of scholastic age are derived primarily from two sources, the first being from the available school fund and the second being from the Minimum Foundation School Fund, distribution of both of which are on the basis of number of children in average daily attendance in the schools of the Plaintiff district during the school year.

III. The above named Defendants, except only Defendant Rosalinda Rendon, are the parents of children who are enrolled in the schools of the Plaintiff school district, but who are at present engaged in the boycott of, or strike against, the schools of the Plaintiff school district in violation of the compulsory attendance laws of the State of Texas. Said Defendants are sued herein both individually and as representatives of a class of parents of children similarly situated who have so absented themselves from attendance on the schools of the Plaintiff school district as hereinafter alleged. The parents and persons who constitute the class of parents of such children are so numerous as to make it impracticable to bring them all before the Court, but those sued as Defendants herein are sufficient to fairly assure the adequate representation of all who are herein sued as members of such class. Suit against such class of parents is brought under the provisions of Rule 42, Texas Rules of Civil Procedure.

IV. Defendant Rosalinda Rendon is an adult above the age of 18 years who is enrolled in the twelfth grade of the Plaintiff School District, but who has for several days been absenting herself from attendance on the schools of said school district and has been purporting to be boycotting or striking against the schools of such school district and refusing to attend the schools of Plaintiff school district. Said Defendant has not only been refusing to attend the schools of the Plaintiff school district but has been encouraging other students to absent themselves from attendance on the schools of the said school district in violation of the compulsory school attendance laws of the State of Texas, and as such has been causing and will continue to cause irreparable injury to the Plaintiff school district, unless restrained and enjoined by this Court

as hereinafter requested by Plaintiff.

V. In addition to keeping her own child out of school in violation of the compulsory school attendance laws of the State of Texas, Defendant Mrs. Irma Torres has encouraged the children of other defendants and the class to which they belong to absent themselves from school by way of strike or boycott in violation of the compulsory attendance laws of the State and in addition has actively engaged in transporting students of the Plaintiff school district away from the schools, to the damage of the Plaintiff as hereinafter alleged, and the said Defendant, unless enjoined and restrained by this Court will continue such unlawful conduct, to prevent which this Plaintiff has no adequate remedy at law.

VI. The named Defendants, excepting only Rosalinda Rendon, are the parents of children of scholastic age who are enrolled in the schools of the Plaintiff school district and who are required by provisions of the compulsory school attendance law of the State of Texas to attend schools of the Plaintiff school district, but in spite of the duty placed upon said named Defendants and the class they represent of requiring their children to attend the schools of the Plaintiff school district as required by the compulsory school attendance laws, said parents and the class they represent have failed and refused to require their children to attend the schools of the Plaintiff school district since on or about Monday, February 18, 1974. Such actions by said Defendants and the class they represent have aided, assisted and encouraged others in their unlawful action directed against Plaintiff school district in the maintenance and conduct of a strike or boycott against the schools of the Plaintiff school district.

VII. The aforementioned and named Defendants, and the class they represent, have agreed, combined, cooperated and conspired to persuade children of scholastic age, who are required to attend the schools of Plaintiff school district, to remain away from said schools, and to fail to attend said schools during the times they were required by law to be in attendance on such schools, for the unlawful purpose of coercing the trustees and the administrative authorities of the Plaintiff school district to agree to grant, accede to and comply with certain demands of certain of the Defendants, irrespective of the merits of such demands, the only alternative being the continuing absence of the children of such Defendants and the class they represent from the schools of the Plaintiff school district, with the accompanying loss of funds which would be caused Plaintiff by such action. Such activities on the part of said Defendants constitute an unlawful combination and conspiracy against the Plaintiff which will cause the Plaintiff irreparable damage to prevent which Plaintiff has no adequate remedy at law.

VIII. The continuing absence from school of the children of the above named Defendants and the class they represent will cause Plaintiff school district irreparable loss and injury due to loss of funds from the State of Texas which Plaintiff would otherwise be entitled to receive, such funds being from the Available School Fund and the Minimum Foundation School Fund, both of which are distributed to Plaintiff and other school districts by law on the basis of average daily attendance of scholastics in the schools of such district during the school year. Such damages to

Plaintiff school district will be in excess of \$5,000.00, and the total extent of such damages will depend upon the number of students who remain away from school unlawfully as the result of the said conspiracy and combination and the length of time for which they remain out of the schools of Plaintiff school district. Plaintiff has no adequate remedy at law to prevent such loss and an action for damages against the Defendants to recover any such losses would be futile, because it would require a multiplicity of suits, and in addition would apparently result only in judgments against large numbers of Defendants from whom it would be impossible to collect the amount of money damages in such judgments.

IX. Unless restrained and enjoined by this Honorable Court, the Defendants herein will continue to pursue their unlawful course of conduct previously alleged in the preceding paragraphs.

X. Plaintiff alleges that it has been damaged in excess of \$5,000 and that its damages as a result of the unlawful conduct and combination and conspiracy of Defendants may result in monetary damages of as much as \$25,000.00, or more. Plaintiff further alleges that the acts of the Defendants herein previously alleged have been intentional and with the purpose of causing harm and damage to Plaintiff school district, for which reason Defendants herein are liable to Plaintiff for exemplary damages in the sum of \$50,000.00.

XI. Unless Defendants are restrained and enjoined from continuing their present course of conduct, previously alleged, Plaintiff will suffer immediate and irreparable injury and damage before notice can be served on Defendants and hearing had hereon, to prevent which Plaintiff has no adequate remedy at law, because the Defendants are continuing their previously alleged unlawful course of conduct and are actively pursuing a course of endeavoring to induce students in the Plaintiff school district to join in their unlawful activities. Plaintiff is entitled to a restraining order without notice to prevent Defendants from continuing their unlawful course of conduct, from encouraging, persuading, enticing and assisting students in the schools of Plaintiff school district not to attend the schools of the Plaintiff school district, and from attempting to persuade students in the school of Plaintiff school district to absent themselves from the schools of the district and join in the illegal boycott and strike, and, after hearing, to a temporary injunction enjoining such action by Defendants until such time as a hearing can be had on the merits.

WHEREFORE, Plaintiff prays that the Court issue a temporary restraining order without notice to the Defendants restraining them and each of them from encouraging, persuading, enticing and assisting students enrolled in the schools of the Plaintiff school district from attending the schools of the Plaintiff school district, and from attempting to persuade students in the schools of Plaintiff school district to absent themselves from the schools of the district and join in the illegal boycott and strike, that upon hearing a temporary injunction be issued in the same terms enjoining Defendants from encouraging, persuading, enticing, and assisting students enrolled in the schools of Plaintiff school district not to attend the schools of the Plaintiff school district and from attempting to persuade students in the schools of Plaintiff school district to absent themselves from the schools of

the district and join in the illegal boycott and strike, and that upon final hearing said injunction be made permanent, and that Plaintiff have judgment against said Defendants jointly and severally for the sums of money which have been lost by Plaintiff from the funds that would have been provided to Plaintiff from the Available School Fund and the Minimum Foundation School Fund by the State of Texas as a result of the unlawful actions of the Defendants, and that Plaintiff have judgment against said Defendants jointly and severally for the sum of \$50,000.00 exemplary damages; that citation issue to the above named Defendants commanding them to appear and answer herein; and that after appropriate hearing Plaintiff have such other and further relief, both at law and in equity, general and special, to which it may be justly entitled, together with all costs herein incurred.

J. C. Hinsley
Office Suite 301

Austin, Texas 78705
Attorney For Plaintiff

TO THE HONORABLE JUDGE OF SAID COURT:

Come now the Defendants Irma Torres, et al and move that the Temporary Restraining Order issued by this Court be dissolved. As grounds therefore, the Defendants would show the Court as follows:

1. The petition fails to allege that the Plaintiff will suffer irreparable damages;
2. On the contrary, the Plaintiffs have an adequate remedy at law;
3. A court of equity does not have the power to exercise its jurisdiction where there is relief through the criminal courts of the State;
4. The Texas Education Code provides for the enforcement of the compulsory attendance law. See Section 4.25, TEX. EDUC. CODE;
5. The plaintiff school district is not the proper party, by way of the instant civil proceeding, to enforce the provisions of Section 4.25 of the Texas Education Code, such authority being exclusively vested by law in the school attendance officer or a local peace officer and a court of competent criminal jurisdiction.

WHEREFORE, PREMISES CONSIDERED, the foregoing defendants respectfully pray that the temporary restraining order be dissolved and for any other relief at law and equity to which they be entitled.

Respectfully submitted,
GUADALUPE SALINAS

White teaching in Hondo

Kenneth White, a senior Agricultural Education major at Texas A&M University, will be doing his student teaching in Vocational Agriculture at Hondo High School from March 4 through May 7.

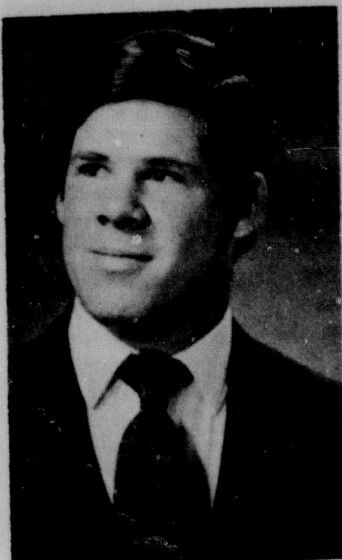

He will be under the supervision of Mr. J. D. Schmidt, Vocational Agriculture teacher.

Kenneth graduated from Edcouch Elsa High School in May of 1970. He attended Southwest Texas Junior College in Uvalde for two years, then

enrolled in Texas A&M University to further his education in Agricultural Education.

Kenneth will graduate on August 16, 1974 with a B.S. degree in Agricultural Education and plans to seek employment with the Agricultural Extension Service.

Kenneth said that he thinks the people of Hondo are very friendly and is looking forward to his practice teaching in the community.

Kenneth White

Appliances cost less now than they did in the '50's

In days when inflation is the keynote and bread is projected to cost a dollar a loaf, gasoline a dollar a gallon, it's hard to find products the consumer buys which actually cost less and give more value than 15 to 20 years ago.

Such is the case, however, according to Mr. DeMontel of DeMontel's with some General Electric appliances being offered in his current G-E Trainload

Sale. For example, Mr. DeMontel cites two items: a 14.2 cubic foot capacity refrigerator freezer and a 2-speed multi-cycle washer. In 1959, Mr. DeMontel says, a G-E refrigerator of about 12 c. ft. with a separate top-mounted freezer sold in his store for \$359.00. The 1974 model is more than 2 cubic feet larger inside, yet occupies less space outside because

of improved insulating materials and techniques. It rolls on wheels, has separate temperature controls for each section, has no protruding coils on the back, and is adaptable to an icemaker - yet sells in this sale for only \$299.00.

General Electric's first Filter-flo® washer, introduced in the 1950's, was single-speed, sold for about \$279 and washed

satisfactorily about 8 pounds of clothes. Mr. DeMontel points out, DeMontel's is currently featuring in Trainload Sale a comparable model that washes up to a 14-lb. clothes load, and, in addition to the Filter-flo® system, offers an automatic bleach dispenser, two-speeds, a choice of up to 5 wash and rinse temperature selections including an energy-saving

cold-water cycle, 3 water level selections, a second tub for small loads called Mini-basket with its own water level selection - yet is selling for only \$228.00.

And, adds Mr. DeMontel, in every General Electric appliance line the service call rate has been reduced, sometimes substantially.

Trainload Sale at DeMontel's continues through March 23rd.

Chamber Corner

Here in the Chamber Corner we're still signing up new members. Latest to link themselves into the Hondo chain of supporters is Del Rio Flying Service. This means we now have 241 members.

We received a call from "Family Weekly's" Pamela Howard. They had received a Hondo postcard and related information from the British Wire Service. They will print out postcard, along with a description and history of it in a coming edition of their magazine.

"Family Weekly" is in the San Antonio Sunday Express & News, and has an international distribution of over 11 million. So, watch each Sunday for the story.

And the letters continue, too:

Dear Sir: Thank you for buying my show lamb "The Big Baby". Your interest and support to the Medina County Junior Livestock Show is appreciated by not just me, but all youth who participated.

Sincerely,
Chris Cole
Hondo 4-H Club Member

Hondo Booster Club, Thank you for buying my calf at the Medina County Junior Livestock Show. With the price I got, I made enough to clear all of my debts.

Sincerely,
Duane McCartney

Dear President: I am conducting research on the origins of Texas towns and cities; names for an article. I believe the Texas Chambers of Commerce are best qualified to give this information. I am a journalism student at the University of Texas at Austin and the story will most likely appear in a local newspaper or magazine.

Your town's name attracted my attention and I believe its origin would be fascinating material to be included in this article. Would you supply me with the particulars (who, where, when, how and why) of the creation of your town's name?

Any help would be appreciated and recognized in my article. If possible, please send the information by the end of March. Please mail to this address:

Laura D'Alisera
1633 Royal Crest, #1169
Austin, TX 78741
Many thanks for your cooperation.

Sincerely,
Laura D'Alisera

Gentlemen: Please send my any information you might have on residents in your area that might be interested in leasing a large amount (1000 acres or up) of acreage to a hunting party of eight people.

We will assume responsibility for caring for his land while it is entrusted to us and will alter it in no way. We will also set up our own camp and remove it at the leaser's request.

Thank you,
R. B. Thompson Jr.
Rt. A4, Box 177
Pearland, TX 77581

Hondo Chamber of Commerce
Hondo, Texas
Gentlemen:

Please send me information about your community and the surrounding area.

I would appreciate a sample copy of your local newspaper for which I am enclosing 25 cents in cash.

Thank you for an early reply.

Very truly yours,
Ancil N. Davis
P.O. Box 2597
Globe, Arizona 85501

Chamber of Commerce
Hondo, Texas
Gentlemen:

A group of people in the banks here in Austin are looking for a good deer lease. Preference would be to have turkeys and a lot of quail and deer. The group could be from four or five men up to perhaps eight or ten men, depending on the acreage.

Will you please inform me if you know of anything or put me in touch with someone who would know?

Sincerely yours,
J. E. Bridges,
President

Dear Sir: I would like to write a few lines to find out information about your city. Do they have the Medina County Rodeo held there in Hondo every year in May or June? If so, when will the Medina County Rodeo be held there in Hondo for this year in 1974?

Is it held on the weekend every year and do they have night rodeo performances only the last performance on Saturday night or do they have matinee performances too? What time does each Rodeo Performance usually begin and end up during the Medina County Rodeo and what is the admission charge to each for reserved seat tickets.

What place there in Hondo is the Medina County Rodeo held every year and how far is the place where it is held at located from the bus station and is it in downtown walking distance or would I have to catch a taxi out to it?

Well, guess this is all that I have to write for now. So please, write as soon as possible and give me all the information which I have asked for.

Yours truly,
Charles Crump
1149 Lakeshore Dr.
Port Arthur, TX 77640

The rodeo is coming to mind for many people already in February. Received a long-distance call wanting information on our Medina County Rodeo and Jr. Rodeo, and a letter also inquires about it.

Other phone calls include to Dick Roberts of the Highway Dept. regarding the Texas Calendar of Events; from Leakey, Texas checking on sand and gravel dealers; and from San Antonio inquiring about javelina hunting.

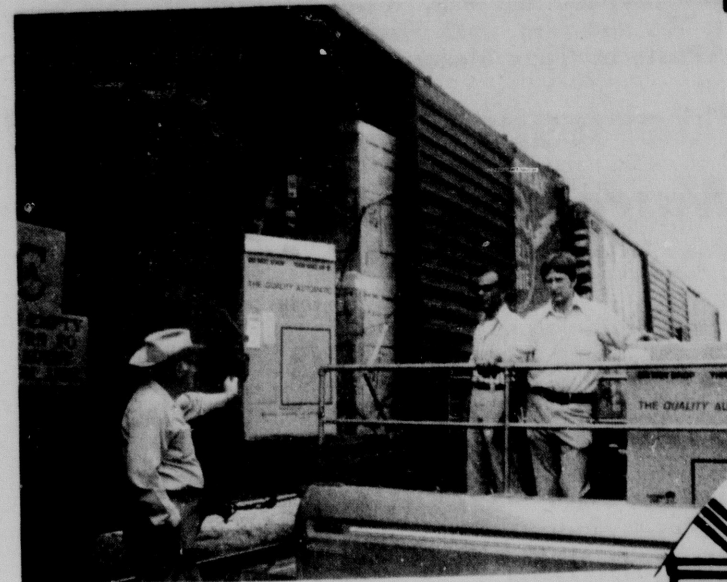

Received brochures and maps from Quanah, Texas and Lake Powell, Arizona. On to the everyday work - Housing requests, 6; referrals, 14; other, 5. Job Orders, 3; referrals, 61; applications, 42; other, 25; unemployment, 1. Social Security and Drivers License, 8. Hunting requests, 4; maps brochures and cards, 8. Trails Maps, 3. Interoffice, 9. Other requests, 14.

Ybarra

Hondo Boy Scouts plan Goodwill participation

SAN ANTONIO -- Residents of Hondo and Medina County are being asked this week by Scouts of the Alamo Area Council of the Alamo Area Council to help them in their annual Good Turn-Good Will effort to help handicapped persons.

Scouts throughout the 13 counties of the council will distribute their Goodwill bags Saturday. They will return to the same residences a week later, Saturday, March 16, to pick up the bags.

Residents are asked to place discarded, but repairable and usable clothing, articles and small appliances in the bags for the Scouts. These items are repaired and rebuilt by handicapped trainees at Goodwill Industries here.

Handicapped persons in this training program learn skills in repairing these items that can lead to gainful employment. Repaired items are sold to low income persons and provide a small salary for the handicapped as they

learn.

"Residents can help the Scouts, the handicapped and at the same time participate themselves in a good turn for the less fortunate in this annual effort," said Council Scout Executive Herbert J. Wilkins.

Good will is on record as stating the annual Scout Good Turn-Goodwill is the single largest source of clothing, articles and appliances of the program.

AT BANQUET. . . Seated at the head table at the Blue and Gold Cub Scout Banquet were Mrs. Stuebber, Clara Westbrook, Mr. and Mrs. George Schmidt, Mr. and Mrs. Bob Van de Walle, Cubmaster, Mr. and Mrs. Jack Heath, Father Vincente Araujo and Father George Stuebber. [Photo by Tony Mendoza]

Medina County Council has meeting

Medina County Council met Feb. 25, 1974 in the City Office at Devine. Nine members were present with three guests, Jo Ann Brown, Lillian Pressler and Arlene Vandagriff.

Marie Odam served as chairman in the absence of Amy Noblett.

The meeting was opened by repeating the THDA prayer.

Mrs. Odam gave a short talk on Parliamentary Procedures.

Patsy Graff, THDA Chairman, gave a report on the planning meeting which was held Jan. 31, 1974 in Uvalde.

A committee was select-

ed to select new officers for the coming year. They are Arlene Vandagriff, chairman, Devine; Wilma Linthicum, Natalia; Bonnie Moos, Hondo; and Nancy Cox, Devine.

Also, the Delegates to the District 13 meeting were elected as Patsy Graff, Hondo; Jo Ann Brown, Devine Sr. and Karen Bain, Jr.

The alternates are Betty Gilliam of Hondo, Mrs. Ross Snider of Natalia and Judy Kelly of Devine, Jr.

Jo Ann Brown was selected to have the closing response at the Dist. 13 meeting March 27 in New Braunfels. The Devine Senior Club were hostess for the meeting.

Olga Soliz

Miss Soliz to wed in June

Mr. and Mrs. Jose Soliz announce the engagement and forthcoming marriage of their daughter, Olga, to Ruben Rodriguez, son of Mrs. Esperanza Rodriguez of D'Hanis.

Miss Soliz is a senior at Hondo High School. Her fiance is a 1971 graduate of D'Hanis High School, D'Hanis. He attended Southwest Texas Junior College in Uvalde, and is presently employed at Universal Rundle, Inc., Hondo.

The couple is planning a June 15 wedding at St. John's Catholic Church, Hondo.

Graw, Virginia Garcia, Gloria Bendele and Mrs. Sexton.

Title of the meeting was "Hand In Hand The FHA Way."

The D'Hanis Chapter viewed the Tower of the Americas and rode on the San Antonio Riverboat ride after the meeting was concluded.

--Donna L. McGraw

One-Act play set March 25

By Rhonda Graff

The Hondo High Drama Department under the direction of Mrs. Libby Neely have selected their one-act play for the 1974

UIL One-Act Play competition.

Selected is "The Forgotten Man" written by Jewell Bothwell Tull.

Cast members include John Benson played by Tony Hackbeil, Henry Lambert played by Tim Gilliam, Mrs. Lambert portrayed by Denise Saathoff, Helen Mills played by Rhonda Graft, Peter portrayed by Wayne Westbrook, Judith portrayed by Norma Chapa, and The Man played by Eddie Pope.

Three students selected for the stage crew are Paula Moos, Vicki Gilliam and Linda Mazurek.

It is planned to present the play to the public on March 25, 1974 at 8 p.m.

The UIL performance will be April 2 in Castroville.

Girls, watch out a little how you identify the cookies served at the next clam-bake you attend. This information comes from one of those "reliable sources" one hears about who claim that your identification of the little calorie-filled delicacies is a dead give-away of your age.

For instance: If you say, "What delicious cookies," you must be safely under 40 years of age, which is when life is supposed to begin, remember?

Say, "Hmmm, teacakes," and you're rated over 60. Call 'em "What lovely sweet cakes" and you're in the losing game with the rest of us almost octogenarians. Better take seconds while you can and enjoy, enjoy, without comment!

Medina County has justifiable reason to "be feeling its oats" and if you read Agriculture Commissioner John C. White's announcement in the Feb. 21 Anvil Herald, you'll know what I'm talking [or writing] about.

While the Texas oat crop established a record with a state-wide yield of 41 bushels per harvested acre, Medina County farmers upped their 10.1 bushel per acre average in 1972 to 52.6 bushels in '73.

The figures cover only marketable oats. No mention was made of any "wild oats" which probably remain highly classified information.

Richard Le Gallienne, an English writer of this century said, "Wild oats will get sown some time, and one of the arts of life is to sow them at the right time."

Postage rates are like elevators - always going up, but elevators also go down. Not so our Uncle Sam. So, it will cost two cents more to mail All She Wrote, as of March 1.

Just wanted you to know I'll try to continue to put in my extra two cents worth.

Now and then our mailbox holds the most delightful surprises. One such reached me last week. It was a letter, accompanied by a book, which is now added to my Medina County book shelf. The title is ST. LOUIS CHURCH, Castroville, and it covers the history of that sturdy old house of worship from its founding, about September, 1844, if I have followed the dates correctly.

CONNIE TSCHIRHART [Mrs. Maurice] RIHN, who, with TED GITTINGER, ROBERTA HABY and CHARLENE SNAVELY, compiled and wrote the attractively bound 135-page volume said it was a gift to me from The Parish. I sincerely appreciate their courtesy and thoughtfulness.

Adding to the colorful red binding, is a pen drawing, in gold, by the gifted artist ROBERT QUILL JOHNSON. In the acknowledgements, the book committee says, "This history was made possible through the efforts of many interested persons."

Among the list, I recognized the names of many friends who, in my years as a resident of Medina County, always seemed to be where the action was when cooperation was needed.

So, the Texas 4-H Center at Brownwood is now on its way to become a reality. Now, I feel better about all those chocolate bars I bought [and too many of which I ate] when the Hondo 4-H girls were doing such an enthusiastic job of helping the good cause off to a good start.

Remember?

Sgt. BILL GREEN, as he and his family know, is one of my special friends. At the pace he keeps, with his boundless energy and interest in Hondo's civic progress, it is no wonder his ticker sounded a warning "tock."

Better save some of your vim-vigor-&vitality, Bill, for that new grandchild of yours. And, Hondo NEEDS you. Take care!

Now I know what might have happened to the Hondo Creek dinosaurs. It was something they "et."

At a recent scientific meeting in Tokyo, a British professor suggested that the giant dinosaurs, credited with ruling the earth for 80 million years, fell victims to their own feeble taste buds.

To stay alive, the big boys [and girls] ate several hundred pounds of greenery a day. Early flowering plants surfaced 120 million years ago and displayed the evergreens which had furnished the three squares a day for the family.

The flowering plants of that point in time, says the professor, contained few alkaloids and enough tannins to dis-please Dino's palate. Later species of plants were loaded with poisonous alkaloids but the D's taste buds failed to recognize them as no-nos at mealtime.

This, says the scientist, explains why fossil dinosaurs are often found in contorted attitudes, head thrown back and tail curled up - victims of a superduper king size tummy ache. And no tv commercials to guide them.

Think "Efficiency" As You Plan to Build or Remodel

If you're anticipating the many advantages of total electric living, be sure to plan carefully when you next buy a new home or remodel your present home:

- ADEQUATE WIRING. For air conditioning, heating, water heater, range, washer, dryer, refrigerator, freezer, dishwasher and lighting.
 - INSULATION. Save money summer and winter with the right insulation in the right places.
 - WEATHER STRIPPING. STORM DOORS & WINDOWS to seal off those places where heat escapes in winter and enters in summer.
 - CHOOSE THE RIGHT SIZE APPLIANCES. This applies to water heater, central air and heating, too.
- Electricity is too good to waste. Contact your Rural Electric system for money saving, electric efficiency hints.

The electric way is clean.

Hondo Boy Scouts plan Goodwill participation

SAN ANTONIO -- Residents of Hondo and Medina County are being asked this week by Scouts of the Alamo Area Council to help them in their annual Good Turn-Good Will effort to help handicapped persons.

Scouts throughout the 13 counties of the council will distribute their Goodwill bags Saturday. They will return to the same residences a week later, Saturday, March 16, to pick up the bags.

Residents are asked to place discarded, but repairable and usable clothing, articles and small appliances in the bags for the Scouts. These items are repaired and rebuilt by handicapped trainees at Goodwill Industries here.

Handicapped persons in this training program learn skills in repairing these items that can lead to gainful employment. Repaired items are sold to low income persons and provide a small salary for the handicapped as they

thing, articles and small appliances in the bags for the Scouts. These items are repaired and rebuilt by handicapped trainees at Goodwill Industries here.

Medina County Council has meeting

Medina County Council met Feb. 25, 1974 in the City Office at Devine. Nine members were present with three guests, Jo Ann Brown, Lillian Pressler and Arlene Vandagriff.

Marie Odam served as chairman in the absence of Amy Noblett.

The meeting was opened by repeating the THDA prayer.

Mrs. Odam gave a short talk on Parliamentary Procedures.

Patsy Graff, THDA Chairman, gave a report on the planning meeting which was held Jan. 31, 1974 in Uvalde.

A committee was select-

ed to select new officers for the coming year. They are Arlene Vandagriff, chairman, Devine; Wilma Linthicum, Natalia; Bonnie Moos, Hondo; and Nancy Cox, Devine.

Also, the Delegates to the District 13 meeting were elected as Patsy Graff, Hondo; Jo Ann Brown, Devine Sr. and Karen Bain, Jr.

The alternates are Betty Gilliam of Hondo, Mrs. Ross Snider of Natalia and Judy Kelly of Devine, Jr.

Jo Ann Brown was selected to have the closing response at the Dist. 13 meeting March 27 in New Braunfels. The Devine Senior Club were hostess for the meeting.

D'Hanis FHA meets

On Saturday, March 2nd, the D'Hanis FHA Chapter attended the annual FHA Area VII meeting.

The meeting was held in the San Antonio Convention Center.

Those who attended were Elida Hernandez, Shirley Rodriguez, Arlene Herrmann, Donna Mc-

Graw, Virginia Garcia, Gloria Bendele and Mrs. Sexton.

Title of the meeting was "Hand In Hand The FHA Way."

The D'Hanis Chapter viewed the Tower of the Americas and rode on the San Antonio Riverboat ride after the meeting was concluded.

--Donna L. McGraw

AT BANQUET. Seated at the head table at the Blue and Gold Cub Scout Banquet were Mrs. Stuebben, Clara Westbrook, Mr. and Mrs. George Schmidt, Mr. and Mrs. Bob Van de Walle, Cubmaster, Mr. and Mrs. Jack Heath, Father Vincente Araujo and Father George Stuebben. [Photo by Tony Mendoza]

Olga Soliz

Miss Soliz to wed in June

Mr. and Mrs. Jose Soliz announce the engagement and forthcoming marriage of their daughter, Olga, to Ruben Rodriguez, son of Mrs. Esperanza Rodriguez of D'Hanis.

Miss Soliz is a senior at Hondo High School. Her fiancé is a 1971 graduate of D'Hanis High School, D'Hanis. He attended Southwest Texas Junior College in Uvalde, and is presently employed at Universal Rundle, Inc., Hondo.

The couple is planning a June 15 wedding at St. John's Catholic Church, Hondo.

One-Act play set March 25

By Rhonda Graff

The Hondo High Drama Department under the direction of Mrs. Libby Neely have selected their one-act play for the 1974

UIL One-Act Play competition.

Selected is "The Forgotten Man" written by Jewell Bothwell Tull.

Cast members include John Benson played by Tony Hackbeil, Henry Lambert played by Tim Gilliam, Mrs. Lambert portrayed by Denise Saathoff, Helen Mills played by Rhonda Graft, Peter portrayed by Wayne Westbrook, Judith portrayed by Norma Chapa, and The Man played by Eddie Pope.

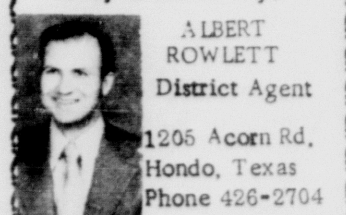

Three students selected for the stage crew are Paula Moos, Vicki Gilliam and Linda Mazurek.

It is planned to present the play to the public on March 25, 1974 at 8 p.m.

The UIL performance will be April 2 in Castroville.

This week

All she wrote

by Edna McDade

Girls, watch out a little how you identify the cookies served at the next clam-bake you attend. This information comes from one of those "reliable sources" one hears about who claim that your identification of the little calorie-filled delicacies is a dead give-away of your age.

For instance: If you say, "What delicious cookies," you must be safely under 40 years of age, which is when life is supposed to begin, remember?

Say, "Hmmm, teacakes," and you're rated over 60. Call 'em "What lovely sweet cakes" and you're in the losing game with the rest of us almost octogenarians.

Better take seconds while you can and enjoy, enjoy, without comment!

Medina County has justifiable reason to "be feeling its oats" and if you read Agriculture Commissioner John C. White's announcement in the Feb. 21 Anvil Herald, you'll know what I'm talking [or writing] about.

While the Texas oat crop established a record with a state-wide yield of 41 bushels per harvested acre, Medina County farmers topped their 10.1 bushel per acre average in 1972 to 52.6 bushels in '73.

The figures cover only marketable oats. No mention was made of any "wild oats" which probably remain highly classified information.

Richard Le Gallienne, an English writer of this century said, "Wild oats will get sown some time, and one of the arts of life is to sow them at the right time."

Postage rates are like elevators - always going up, but elevators also go down. Not so our Uncle Sam. So, it will cost two cents more to mail All She Wrote, as of March 1.

Cheer Aiders entertain

During the month of February, the Cheer Aiders held their usual three days of activities. They have changed the crafts day from Monday to Tuesday at 9:30 to 10:30 a.m.

During the month the Cheer Aiders started lap robes. Helping with that project are Johanna Lein-

weber, Mmes. Haby, Neuman, Owens, Leinweber, Johnson, Langford and Rica Bohmfalk. Volunteer in charge is Evelyn Grell and assisting her are Judy Winkler and Karen Koch.

On Wednesdays the Cheer Aiders have bingo from 2-3 p.m. Nearly all residents from the Nursing Home attend. Volunteers

are Judy Dittmar, Kay McWilliams and Mrs. A. W. Brookshire.

Friday is Fun Day. The girls enjoy playing cards. Judy Winkler, Evelyn Grell and Karen Koch are the volunteers.

Playing dominoes with them are Mrs. Neuman, Mrs. Love, Mrs. Owens, and Mrs. Rica Bohmfalk. Playing pitch are Emmet Berry, Mr. Marquis, Johanna Leinweber, Mrs. Haby and Mr. Tschirhart, who play from 9:30-11:30 a.m.

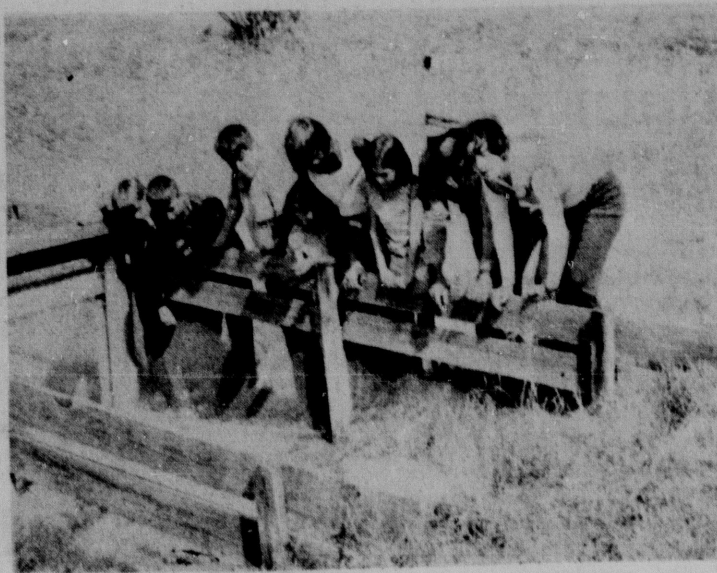

On Feb. 13 the Cheer Aiders had a special Valentine's party for all participating in the bingo game.

The Cheer Aiders want to thank Jim Prenzler, manager of Winn's Store, for the huge box of material he donated. This is how the Cheer Aiders manage to give their help and aid.

Anyone who wishes to donate anything, especially time, please call Judy Winkler, 426-3514. They are always looking for more volunteers.

The monthly meeting is the first Thursday of each month at 10 a.m. March 7th will be the next meeting.

If you cannot attend, but would like to help, please call the above mentioned number.

JR. GARDEN CLUB-BERS visited the Medina State Fish Hatchery near Devine Friday. The hatchery was opened March 19, 1939 to provide stock fish for Medina Lake. Here Mr.

Gregorio Alvarado conducts a tour of the catfish breeding pens for Sheldon Davis, Chris, Doug, and Valerie Cole, Laura Hollmig, Pattie and Jessie Seals, and Nancy Martin.

Cow Belles meet

The Southwest Texas chapter of the Cow Belles met in Uvalde Wednesday, March 6.

The organization, formed from wives of beef producers and beef-related businessmen, to promote the industry, meets in the McNelly Room of the First State Bank.

The group invites all area women interested in the beef industry to join.

Here in Hondo

Sunday visitors in the home of Mr. and Mrs. Armin Rothe were Mr. and Mrs. Byron Heard, Mr. and Mrs. Jim Gowens and Mr. and Mrs. Frank Wentworth of Uvalde.

Lacy Gilliam member of special A&M band

COLLEGE STATION -- Lacy C. Gilliam of Hondo helped form the University Symphonic Band at Texas A&M University.

He became a charter member of the new TAMU musical group organized this semester. Its first concert is planned April 30.

Symphonic Band members come from all parts of the university student body. It is the first instrumental group for all TAMU students.

Texas A&M also has the Texas Aggie Band, the Aggie Concert Band, Stage Band, Singing Cadets and New Tradition Singers to satisfy student musical participation. The university does not offer a

music degree.

Members audition for the symphonic band. It includes musicians of every classification, including graduate students. Almost half of the 55 members are women. Faculty-staff also participate.

The group is directed by Joe McMullen, who also serves as associate director of the Aggie Band.

Son of Mr. and Mrs. Harold F. Herring of 1405 24th St., Gilliam is a sophomore member of the Aggie Band. He is in the Aggie Concert Band, Military Corps of Engineers, is Maroon Band Corporal and assistant squad leader. Gilliam is a 1972 graduate of Hondo High School.

Hondo bands compete

By Rhonda Graff

On Saturday, March 2, the McDowell Jr. High and the Hondo High Second Group performed in the Brady Band festival, an annual contest sponsored by the Brady Public School and the

Brady Band Boosters.

Judges critiquing the bands were Doug Fry from Cisco Jr. College, Douglas Wiehe of Southwest Texas State University, and Fred Prentice from Wichita Falls.

Our Jr. High, under the direction of Billy A. Harrell, received ratings of 1, 1 and 2 and were named Outstanding Sightreading Group in their division.

The Second Group, directed by Dennis Smith,

received ratings of 2, 2 and 3.

These are ratings to be proud of due to the facts that the group was competing as a whole for the first time, and they were judged in a division above their level.

These bands deserve much praise and credit.

Encouragement should also be extended toward both bands in order that they may continue to work hard to obtain the highest ratings at UIL competition.

South Unit I

The South Hondo Unit I 4-H Club met March 4 with Tim Gilliam presiding. Angela Braden gave the opening prayer and Beverly Graff led the motto and pledge.

A program on Record Books was presented by Assistant Agent Wayne Scholtz. The members

examined completed record books from last year's contest.

Vicky Gilliam and Jeanette Aelvoet led the group singing. Andy Gilliam and Andy Aelvoet presented a demonstration on recycling paper.

Judy Heiligman and Lesley Muennink reported on the county and district food show. Tim Gilliam

and Mariette Aelvoet participated in the District food show award program. Jessica Muennink, Angela Braden and Mariette Aelvoet represented Medina County at the District show.

Debby Lindeburg reported on the club entries in the County stock show. Jeanette Aelvoet gave the county council report.

Members were invited to a bike hike March 8 at five o'clock. We will meet at the Gilliam home. All 4-H members are invited.

County round-up will be held April 26 in Hondo. County camp will be held June 17-20 at H.E.B. camp at Leakey.

Recreation was led by Kyle Landers and Tim Gilliam. Refreshments were served by Joy Heiligman and Debby Lindeburg.

IT'S GOOD FOR YOU

by Bill Butler, RPh.

Because many people see a dentist more regularly than a doctor (maybe because dentists remind us), some are now checking patients' blood pressure, and relating high readings to the patients' doctors.

A full year of testing has proved what mothers long suspected -- it doesn't matter whether baby's formula is heated or not. Babies fed both ways thrived equally. Saves on energy, too.

A doctor in New York has discovered that cataract surgery can be done on an outpatient basis. No extra complications were found.

No place to jog? One executive spends half an hour a day running up and down stairs, and says, "There's no place in the world where you can't find a quiet staircase -- especially at 5 a.m."

University of Virginia researchers have found that hand-to-hand contact is worse in passing around colds than sneezes, coughs and mouth-to-mouth contact. We always THOUGHT kissing was more fun than shaking hands.

If you've been shaking hands a lot -- or caught a cold SOMEHOW -- you'll find relief among the cold remedies at DAN'S DRUG, Highway 90 West, 426-3305.

Save on Long Distance by choosing when and how you call.

For example, a three-minute call to Seattle costs:

\$3.10

A three-minute person-to-person call costs the same, all days and all hours. Rates for extra minutes, however, are lower between 5 p.m. and 8 a.m. Monday through Friday and all hours Saturday and Sunday.

\$1.70

That's the rate for a credit card, third number or collect call Monday through Friday, 8 a.m. to 5 p.m. The same rate applies on calls from coin phones or hotels.

\$1.35

Dial your call One-Plus Monday through Friday between 8 a.m. and 5 p.m.

\$1.30

Make a credit card, third number or collect call -- or phone from a coin or hotel telephone -- Monday through Friday, 5 p.m. to 8 a.m. or any time Saturday or Sunday.

75¢

Just dial the One-Plus way Sunday through Friday evenings between 5 p.m. and 11 p.m.

65¢

Rates are lowest when you dial One-Plus between 11 p.m. and 8 a.m. daily, all day Saturday and until 5 p.m. Sunday.

One-Plus rates are not available on calls from coin telephones. Rates above do not include tax.

Being choosy can result in real savings, so take your pick. Then travel by Long Distance... and stay awhile.

Like to have more information about Long Distance rates? Fill out and mail the coupon. We'll send you a free guide that shows you the best times to call and gives examples of rates to major cities.

Cow Belles meet

The Southwest Texas chapter of the Cow Belles met in Uvalde Wednesday, March 6.

The organization, formed from wives of beef producers and beef-related businessmen, to promote the industry, meets in the McNelly Room of the First State Bank.

The group invites all area women interested in the beef industry to join.

Here in Hondo

Sunday visitors in the home of Mr. and Mrs. Armin Rothe were Mr. and Mrs. Byron Heard, Mr. and Mrs. Jim Gowens and Mr. and Mrs. Frank Wentworth of Uvalde.

South Unit I

The South Hondo Unit I 4-H Club met March 4 with Tim Gilliam presiding. Angela Braden gave the opening prayer and Beverly Graff led the motto and pledge.

A program on Record Books was presented by Assistant Agent Wayne Scholtz. The members

examined completed record books from last year's contest.

Vicky Gilliam and Jeanette Aelvoet led the group singing. Andy Gilliam and Andy Aelvoet presented a demonstration on recycling paper.

Judy Heiligman and Lesley Muennink reported on the county and district food show. Tim Gilliam

and Mariette Aelvoet participated in the District food show award program. Jessica Muennink, Angela Braden and Mariette Aelvoet represented Medina County at the District show.

Debby Lindeburg reported on the club entries in the County stock show. Jeanette Aelvoet gave the county council report.

Members were invited to a bike hike March 8 at five o'clock. We will meet at the Gilliam home. All 4-H members are invited.

County round-up will be held April 26 in Hondo. County camp will be held June 17-20 at H.E.B. camp at Leakey.

Recreation was led by Kyle Landers and Tim Gilliam. Refreshments were served by Joy Heiligman and Debby Lindeburg.

Reporter Anna Buescher

IT'S GOOD FOR YOU

by Bill Butler, RPh.

Because many people see a dentist more regularly than a doctor (maybe because dentists remind us), some are now checking patients' blood pressure, and relating high readings to the patients' doctors.

A full year of testing has proved what mothers long suspected -- it doesn't matter whether baby's formula is heated or not. Babies fed both ways thrived equally. Saves on energy, too.

A doctor in New York has discovered that cataract surgery can be done on an outpatient basis. No extra complications were found.

No place to jog? One executive spends half an hour a day running up and down stairs, and says, "There's no place in the world where you can't find a quiet staircase -- especially at 5 a.m."

University of Virginia researchers have found that hand-to-hand contact is worse in passing around colds than sneezes, coughs and mouth-to-mouth contact. We always THOUGHT kissing was more fun than shaking hands.

If you've been shaking hands a lot -- or caught a cold SOMEHOW -- you'll find relief among the cold remedies at DAN'S DRUG, Highway 90 West, 426-3305.

Save on Long Distance by choosing when and how you call.

For example, a three-minute call to Seattle costs:

\$3.10

A three-minute person-to-person call costs the same, all days and all hours. Rates for extra minutes, however, are lower between 5 p.m. and 8 a.m. Monday through Friday and all hours Saturday and Sunday.

\$1.70

That's the rate for a credit card, third number or collect call Monday through Friday, 8 a.m. to 5 p.m. The same rate applies on calls from coin phones or hotels.

\$1.35

Dial your call One-Plus Monday through Friday between 8 a.m. and 5 p.m.

\$1.30

Make a credit card, third number or collect call--or phone from a coin or hotel telephone--Monday through Friday, 5 p.m. to 8 a.m. or any time Saturday or Sunday.

75¢

Just dial the One-Plus way Sunday through Friday evenings between 5 p.m. and 11 p.m.

65¢

Rates are lowest when you dial One-Plus between 11 p.m. and 8 a.m. daily, all day Saturday and until 5 p.m. Sunday.

One-Plus rates are not available on calls from coin telephones. Rates above do not include tax.

Being choosy can result in real savings, so take your pick. Then travel by Long Distance... and stay awhile.

Like to have more information about Long Distance rates? Fill out and mail the coupon. We'll send you a free guide that shows you the best times to call and gives examples of rates to major cities.

Governor seeks National Boy Scout Jamboree in Texas

Governor Dolph Briscoe today extended an invitation to the National Council, Boy Scouts of America to hold the 1977 National Boy Scout Jamboree in Texas.

A National Jamboree has never before been held in Texas.

At the same time, Governor Briscoe announced that a steering

committee is being named to work with the National Scout Council and provide all data and information necessary for consideration in the Jamboree site selection.

The Governor said the steering committee will be chaired by John Hamilton, Scout leader from Cuero, and will include a repre-

sentative from the Governor's staff.

Other initial members of the committee named today are State Senator John Traeger of Seguin and State Representative Tim Von Dohlen of Goliad. These appointments were announced by Lieutenant Governor Bill Hobby and House Speaker Price Daniel, Jr.

Governor Briscoe said additional members of the steering committee will be named later as the plans progress.

Hamilton, a Scoutmaster in Cuero, has been in Scouting work for 11 years and served on the National Staff of the 1973 National Jamboree. He has also been a tour director of a Philmont Expedition.

Recently he was presented the Silver Beaver Award by the Capitol Area Boy Scout Council. This is the highest recognition that can be given an adult Scouter on a council level. During his career in Scouting, Hamilton has organized 10 Scout troops, three Explorer posts and four Cub packs.

In 1967 he was a member of the Old Chisholm Trail Centennial Commission.

BLUE BIRD NEWS

The Happy Face Bluebirds had their meeting Feb. 27 and all members were present.

The Bluebirds finished their picture frames which they had been working on for several weeks. Each one painted their's a different color and then put their own pictures in them.

Monica Schulte served punch and cup cakes.

"A dime is not entirely worthless. It makes a fairly good screwdriver."—Willie M. Jenkins, The (Hermitage, Mo.) Index.

The Jolly Bluebirds have been busy these last few months.

One week we went to the Burden Dairy, another week Phyllis Muennink at Edna's Flower Shop helped us make Christmas corsages for our mothers which they wore to the Mother-Daughter Tea that most of us attended.

We took candy to the patients at Brown's Rest Home and sang and read the Christmas Story to them, we then went downtown to sing carols at some of the business places.

We helped set the tables for the Annual Campfire Banquet.

We practiced our skit for the Father-Daughter Supper that all of us attended.

Last week we went to Jake's Nursery where they gave each of us a plant to care for. This week we are having playtime and a color hike.

Terry Nira is Queen runner-up

The 6th Annual Youth Spectacular was held Sunday March 3, at Villita Assembly Hall in San Antonio. Thirteen girls from throughout the Archdiocese of San Antonio sought the title of "1974 C.Y.O. Queen" in the day-long competition.

Miss Theresa (Terry) Nira represented Saint John's Catholic Youth Organization of Hondo in four phases of competition. The first phase was Leadership. She helped Saint John's C.Y.O. members in completing the following projects: spiritual, cultural, civic, and social.

Christian Life was the second phase which included a 300-word essay and an answer, before a panel of judges, to a question on Christian Living. The third phase was Talent. The candidate performed a twirling routine to an arrangement of "Shaft."

The fourth and final phase of this competition was Personality, which included beauty, poise, and charm. Yolanda Rios Rangel, of television's "Adelante," was among the judges for this phase. Candidates were asked to walk before a capacity crowd audience and give a bow in the center of the Assembly Hall. Miss Nira's escort was Albert Rodriguez of Holy Cross Parish, D'Hanis.

She was among the finalists and won recognition for the Hondo Parish by placing third-runner-up in the competition and received a beautiful trophy.

Miss Cynthia Rod of El Campo was crowned by the outgoing queen, Miss Erma Romo of Sacred Heart Parish, San Antonio.

Attending from Saint John's Parish were: Clay Rodriguez, Reggie Pedroza, Alex Barrientes, Mrs. Oswald Nira, John and Richard Nira, Mrs. Vera Palomo, Rev. George Stuebben, Mrs. Stuebben, and Rev. Vicente Araujo.

Salvation Army opens drive

The 1974 Salvation Army Drive will open with a kick-off meeting of captains and workers next Thursday morning, March 14th, at the Fellowship Hall of the First Baptist Church. This year's drive will be under the direction of Guy Combs, who takes over for the retiring Charlie Braun. Jim Fridle is the local chairman and Ralph Hauger will be local campaign treasurer.

Team captains for the 1974 Salvation Army Drive are Joe Fohn, of the Hondo Anvil Herald; Rev. A. M. Hannemann, of St. Paul's Lutheran Church; Mrs. Hilmer Mueller, wife of Hondo City Councilman; Mrs. Bruno Schwe-

ers, a long time Salvation Army worker; Jim Haffer, of Southwestern Bell Telephone Company; Lupe Alvarez, of Hondo Super-Sav; Bud Gwartney of Medina Electric Co-op; Tommy Holmig, from the Hondo National Bank; and Bill Landers, pastor of the Hondo First Baptist Church.

In addition Richard Lynch will head the school drive; Dolores Campos will cover City and County government; and Albert Rowlett will work with the Industrial Campaign.

A special farm and ranch mail drive will also be held for the first time this year.

Art show slated

San Marcos Bicentennial Commission's U.S.A. Festival '74 is making ready for its Arts and Crafts Show with "Music is Along the River" to be held Friday, April 19th, from noon until 7 o'clock p.m. Set up time will be 10 o'clock a.m.

Artists and craftsman throughout Central Texas are invited to enter. Applicants will write checks in the amount of \$5.00 to San Marcos Bicentennial Commission and mail to Mrs. Jerry Harper, #4 Timbercrest, San Marcos, Texas 78666. With a statement of types of art or crafts to be exhibited. A self-addressed and stamped envelope

must accompany the application.

No commercial items in arts and crafts made in molds or printed matter are allowed. All applications should be received by April 12.

HD club meets

The Hondo Home Demonstration Club met February 12 at Berta Wipff's home. Following a business meeting, and delicious refreshments, the club drove to D'Hanis, where they heard a program on antiques at SamBert's Antiques.

The next meeting will be March 11 at the Hondo City Hall, 1:30 p.m.

Phyllis Muennink is hostess.

Doug Mogford earns Master Agent award

WACO -- Doug Mogford of Hondo, agency manager, Bandera and Medina County Farm Bureau, received a Master Agent award from the Texas Farm Bureau Insurance Companies at a recognition program February 25-26 at the Green Oaks Inn in Fort Worth.

To be selected as a Master Agent is the highest honor and recognition the Texas Farm Bureau Insurance Companies can bestow upon a member of their sales force according to company officials.

To be selected as a Master Agent is the highest honor and recognition the Texas Farm Bureau Insurance Companies can bestow upon a member of their sales force according to company officials. B. C. Jones, Waco, is executive vice president and Austin Crowner, Waco, is state

Doug Mogford

sales director for the companies. The criteria for determining Master Agent is rigid and selective, requiring the maintenance of high professional standards, they said.

This was the first year for the Master Agent program. A total of 27 agents received the award at the Fort Worth meeting. There are 310 agents serving Farm Bureau members in Texas.

Brush control big business

Temple, Texas -- Managing brush to benefit wildlife while increasing forage for livestock has become big business in Texas.

In fact, more than one-fourth of the brush control work on-the-ground in Texas today has been applied by livestock producers who have given special consideration to wildlife.

Edward E. Thomas, state conservationist for the Soil Conservation Service in Texas, said the figures came from a recent study conducted by his office.

"Our figures reveal that 7.7 million acres of former brush land in Texas is being controlled or managed for mutual benefit of wildlife and livestock," Thomas said. "Most of this work consists of leaving brush in carefully designed patterns which provide food and cover for wildlife. Alternating strips are cleared or thinned so choice forage plants can thrive without undue competition from the brush for sunlight and moisture."

Thomas said the study does not cover thousands of acres of brush land which is being left undisturbed specifically for the benefit of wildlife.

edge available to wildlife." Thomas said his study revealed that 26,000 land users in Texas are managing brush for both wildlife and livestock.

"This demonstrates the genuine concern farmers and ranchers in this state have for environmental values," Thomas said. "Most wildlife is produced on privately-owned lands. Wildlife enthusiasts, sportsmen, and others interested in maintaining large numbers of wildlife owe these producers a deep debt of gratitude."

SCS biologists and range conservationists in Texas developed the new brush pattern technique in

the mid 1960's which is now proving so popular with livestock producers. Through its plant mater-

ials center at Knox City, SCS is also evaluating and putting into use native legumes, forbs, and other plants relished by wildlife as well as livestock. Such plants are in strong demand for inclusion in range seeding mixtures.

SCS provides technical assistance in planning and applying conservation measures, including brush management and grassland improvement, to land users through 193 local soil and water conservation districts in Texas.

Ag summaries ready

By Glenn Bragg
Medina Co. Ext. Agent

Results of the 1973 Agricultural Demonstrations conducted in Medina County are now available to interested persons, according to Glenn Bragg, County Extension Agent.

The annual report summarizes all agricultural and agriculturally related demonstrations which were planned by the Medina County Program Building Committees and conducted by cooperating farmers and ranchers and landowners. Demonstrations are planned each year based on current agricultural problems and long range objectives of the county program.

The purpose of crop and livestock demonstrations is to provide farmers and

CAMP FIRE NEWS

The Tanda Campfire group met on March 5 at the Methodist Church.

We talked about the council fire and Campfire Week. We then changed officers.

They are: Laurie Reese, president; Rosalinda Benites, vice president; Robin Gordon, reporter; Tina Finger, candle lighter; Sandra Escamilla, candle blower; Mary Tapia, treasurer; and Lorraine Oefinger, song leader.

We then played symbols and Rosalinda Benites served refreshments.

Voter registration guidelines given residents

Voter registration for the May primaries is less than one month away, since to be eligible to vote a person must register 30 days prior to the election in which he or she wishes to cast a ballot.

As of this week the official voter registration list contains the names of 9,659 county residents. Broken down they include:

Precinct 1, Hondo, 601; Precinct 2, Quihi, 225; Precinct 3, Dunlay, 98; Precinct 5, Rio Medina, 268; Precinct 6, Castroville, 574.

Also, Precinct 7, D'Hanis, 589; Precinct 8, Castroville, 530; Precinct 9, Natalia, 1,132; Precinct 10, Devine, 451; Precinct 11, Devine, 1,314; Precinct 12, Yancey, 154.

Also, Precinct 14, Biry,

96; Precinct 15, LaCoste, 446; Precinct 16, SE Hondo, 795; Precinct 17, NW Hondo, 1,015; Precinct 19, SW Devine, 504; Precinct 20, Mico, 104; and Precinct 21, SW Hondo, 736.

Information on registering and voting has been mailed out by the Texas Democratic Party. It reads:

1. Register to vote at least 30 days prior to the Democratic or Republican Primaries, which are May 4, 1974.

2. All registered voters, 18 years and older, are eligible to vote in all elections, Democratic or Republican.

3. Present registrations are valid if you have voted in a Primary or a General Election within the last three years.

4. Register to vote at your County Tax Assessor-Collector's office or with a properly deputized person allowed to register voters.

5. Notify your County Tax Assessor-Collector of change of address 5 days prior to election day so that you are registered in the proper precinct, if you have moved within the county.

6. On moving from one county to another, you must re-register 30 days prior to the election, if you wish to vote in your new place of residence.

7. On April 14, 1974, the absentee voting for the first primary by personal appearance at the County Clerk's office begins and goes through the fourth day preceding the election.

8. Applications for absentee voting for the first primary must be received by the County Clerk not later than the close of business on April 30, 1974.

9. Marked absentee ballots for the first primary must be mailed back to the County Clerk and postmarked not later than midnight on May 3, 1974.

Three attend course

COLLEGE STATION -- Three Medina Electric Coop personnel of Hondo were among 16 students who completed a 30-hour short school for electric utility personnel conducted at Texas A&M University.

They were Larry Oefinger, Blanton Taylor and Gene Hutto.

Ronald L. Jones, head instructor in the Electrical Short Schools Program, a division of the Engineering Extension Service, noted that the school covered basic electric theory and instruments and devices used in the electric power industry.

The course was structured for both new employees and those who have recently been promoted into management, supervision, power sales positions, and linemen and technicians.

The Engineering Extension Service, through its Electric Short Schools Program, has developed a number of short schools to provide training to employees in the utilities industry.

Paul Honig is honored for heroism

ABILENE -- U.S. Air Force Captain Paul M. Honig, son of Mr. and Mrs. William Honig of 2009 Ave. F, Hondo, has received his second award of the Distinguished Flying Cross for heroism in aerial flight in Southeast Asia.

Captain Honig, a B-52 Stratofortress pilot, earned the medal for a mission over North Vietnam in December 1972. Despite the hazards of surface-to-air missiles, the captain released his ordnance directly on target and safely departed the area.

He was honored in ceremonies at Dyess AFB, Texas, where he now serves with a unit of the Strategic Air Command.

A 1962 graduate of Hondo High School, the captain received his B.A. degree from Texas Tech University and was commissioned there in 1968 through the Reserve Officers Training Corps program.

Captain Honig's wife, Faye, is the daughter of Mrs. Ellen Schmidt, Yancey Star Route, Hondo.

\$123,888

bonds purchased

According to County Bond Chairman Albert L. Vance, December sales of Series E and H United States Savings Bonds in Medina County totaled \$7,820. Sales during 1973 amounted to \$123,888 for 83% of the yearly sales goal of \$150,000.

Texans purchased \$15,960,418 in Savings Bonds during the month. Total Bond sales during 1973 were \$222,144,125 for 103% of the state's goal of \$216.6 million. Seventy-nine counties in the state have achieved their 1973 sales goal.

HONORED. U.S. Air Force Captain Paul M. Honig is presented the Distinguished Flying Cross at Dyess AFB, Texas, by Lieutenant General William Pitts, Fifteenth Air Force commander. (U.S. Air Force Photo)

Ideabook available to public

The 1974 S&H Green Stamp Ideabook, most widely circulated commercial catalog in the country, is now available at local stamp-giving stores and S&H redemption centers across the Southwest.

"All of our accounts and centers now have the catalog ready for distribution," according to Robert Sawhill, assistant vice president and manager of S&H's Southwest Region.

More than 600 new home-and-family oriented gifts will be pictured in the 144-page full color catalog for the first time. Sawhill reports that "about one-third of the Ideabook items are new each year. S&H does constant research on market trends; they study their own redemption trends and select best selling brand name lines for items with most appeal to most housewives nationwide."

S&H, which issues four times more stamps than the U.S. Post Office annually, will offer the Ideabook at more than 60,000 retail outlets offering S&H Green Stamps across the country.

DO YOU HAVE HBP?

Have you had your blood pressure checked recently? Is it normal — about 120/80 reading? Is it low? High? Or do you know? It is estimated that over 23 million North Americans suffer from high blood pressure (HBP) and that half are not aware they have it — they do not see a doctor for periodic physical exams.

Since HBP develops without warning, it is considered "the silent killer" and over 250,000 people will die this year because of it. But, once diagnosed HBP can be controlled by diet or medication or both. HBP control can reduce the number and severity of premature heart attacks, strokes and kidney disease.

Doug Mogford earns Master Agent award

WACO -- Doug Mogford of Hondo, agency manager, Bandera and Medina County Farm Bureau, received a Master Agent award from the Texas Farm Bureau Insurance Companies at a recognition program February 25-26 at the Green Oaks Inn in Fort Worth.

Doug Mogford

sales director for the companies. The criteria for determining Master Agent is rigid and selective, requiring the maintenance of high professional standards, they said.

This was the first year for the Master Agent program. A total of 27 agents received the award at the Fort Worth meeting. There are 310 agents serving Farm Bureau members in Texas.

To be selected as a Master Agent is the highest honor and recognition the Texas Farm Bureau Insurance Companies can bestow upon a member of their sales force according to company officials. B. C. Jones, Waco, is executive vice president and Austin Crownover, Waco, is state

Brush control big business

Temple, Texas -- Managing brush to benefit wildlife while increasing forage for livestock has become big business in Texas.

In fact, more than one-fourth of the brush control work on-the-ground in Texas today has been applied by livestock producers who have given special consideration to wildlife.

Edward E. Thomas, state conservationist for the Soil Conservation Service in Texas, said the figures came from a recent study conducted by his office.

"Our figures reveal that 7.7 million acres of former brush land in Texas is being controlled or managed for mutual benefit of wildlife and livestock," Thomas said. "Most of this work consists of leaving brush in carefully designed patterns which provide food and cover for wildlife. Alternating strips are cleared or thinned so choice forage plants can thrive without undue competition from the brush for sunlight and moisture."

Thomas said the study does not cover thousands of acres of brush land which is being left undisturbed specifically for the benefit of wildlife.

Many brushy areas have become so thick that the woody plants have crowded out the choice forage plants preferred by livestock, deer, game birds, song birds, and other wildlife. Such areas often need reseeded after brush control work. Thomas explained that opening up some areas while leaving adjoining land in brush actually improves wildlife habitat.

"Many species of wildlife are what biologists call 'edge' animals," Thomas pointed out. "That is, they prefer to feed on woody plants in the brush and on forbs, native legumes, grasses, and other plants in open areas along the edge of trees and brush. When danger threatens, they escape to the protective cover nearby. Leaving strips of woody plants near open areas increases the amount of

edge available to wildlife." Thomas said his study revealed that 26,000 land users in Texas are managing brush for both wildlife and livestock.

"This demonstrates the genuine concern farmers and ranchers in this state have for environmental values," Thomas said. "Most wildlife is produced on privately-owned lands. Wildlife enthusiasts, sportsmen, and others interested in maintaining large numbers of wildlife owe these producers a deep debt of gratitude."

SCS biologists and range conservationists in Texas developed the new brush pattern technique in

the mid 1960's which is now proving so popular with livestock producers. Through its plant materi-

als center at Knox City, SCS is also evaluating and putting into use native legumes, forbs, and other plants relished by wildlife as well as livestock. Such plants are in strong demand for inclusion in range seeding mixtures.

SCS provides technical assistance in planning and applying conservation measures, including brush management and grassland improvement, to land users through 193 local soil and water conservation districts in Texas.

Ag summaries ready

By Glenn Bragg
Medina Co. Ext. Agent

Results of the 1973 Agricultural Demonstrations conducted in Medina County are now available to interested persons, according to Glenn Bragg, County Extension Agent.

The annual report summarizes all agricultural and agriculturally related demonstrations which were planned by the Medina County Program Building Committees and conducted by cooperating farmers and ranchers and landowners. Demonstrations are planned each year based on current agricultural problems and long range objectives of the county program.

The purpose of crop and livestock demonstrations is to provide farmers and ranchers local information on the adaption of the latest technical research findings and recommendations, points out Bragg.

The 1973 demonstrations program consisted of field test in Grain Sorghum varieties and disease resistance, Corn Varieties, Vegetables, Forages and Small Grain Variety tests.

A copy of the demonstration handbook has been sent to farmers, ranchers and agribusinesses in the county. Additional copies may be obtained at the County Extension Office, concludes Bragg.

CAMP FIRE NEWS

The Tanda Campfire group met on March 5 at the Methodist Church.

We talked about the council fire and Campfire Week. We then changed officers.

They are: Laurie Reese, president; Rosalinda Benites, vice president; Robin Gordon, reporter; Tina Finger, candle lighter; Sandra Escamilla, candle blower; Mary Tapia, treasurer; and Lorraine Oefinger, song leader.

We then played symbols and Rosalinda Benites served refreshments.

Voter registration guidelines given residents

Voter registration for the May primaries is less than one month away, since to be eligible to vote a person must register 30 days prior to the election in which he or she wishes to cast a ballot.

As of this week the official voter registration list contains the names of 9,659 county residents. Broken down they include:

Precinct 1, Hondo, 601; Precinct 2, Quihi, 225; Precinct 3, Dunlay, 98; Precinct 5, Rio Medina, 268; Precinct 6, Castroville, 574.

Also, Precinct 7, D'Hanis, 589; Precinct 8, Castroville, 530; Precinct 9, Natalia, 1,132; Precinct 10, Devine, 451; Precinct 11, Devine, 1,314; Precinct 12, Yancey, 154.

Also, Precinct 14, Biry,

96; Precinct 15, LaCoste, 446; Precinct 16, SE Hondo, 795; Precinct 17, NW Hondo, 1,015; Precinct 19, SW Devine, 504; Precinct 20, Mico, 104; and Precinct 21, SW Hondo, 736.

Information on registering and voting has been mailed out by the Texas Democratic Party. It reads:

1. Register to vote at least 30 days prior to the Democratic or Republican Primaries, which are May 4, 1974.

2. All registered voters, 18 years and older, are eligible to vote in all elections, Democratic or Republican.

3. Present registrations are valid if you have voted in a Primary or a General Election within the last three years.

4. Register to vote at your County Tax Assessor-Collector's office or with a properly deputized person allowed to register voters.

5. Notify your County Tax Assessor-Collector of change of address 5 days prior to election day so that you are registered in the proper precinct, if you have moved within the county.

6. On moving from one county to another, you must re-register 30 days prior to the election, if you wish to vote in your new place of residence.

7. On April 14, 1974, the absentee voting for the first primary by personal appearance at the County Clerk's office begins and goes through the fourth day preceding the election.

8. Applications for absentee voting for the first primary must be received by the County Clerk not later than the close of business on April 30, 1974.

9. Marked absentee ballots for the first primary must be mailed back to the County Clerk and postmarked not later than midnight on May 3, 1974.

Three attend course

COLLEGE STATION -- Three Medina Electric Coop personnel of Hondo were among 16 students who completed a 30-hour short school for electric utility personnel conducted at Texas A&M University.

They were Larry Oefinger, Blanton Taylor and Gene Hutto.

Ronald L. Jones, head instructor in the Electrical Short Schools Program, a division of the Engineering Extension Service, noted that the school covered basic electric theory and instruments and devices used in the electric power industry.

The course was structured for both new employees and those who have recently been promoted into management, supervision, power sales positions, and linemen and technicians.

The Engineering Extension Service, through its Electric Short Schools Program, has developed a number of short schools to provide training to employees in the utilities industry.

Paul Honig is honored for heroism

Texas Industrial Week planned again this year

Discussion of Texas Industrial Week highlighted the agenda of the monthly Hondo Chamber of Commerce director meeting.

Larry Oefinger, who has headed the event which pays special tribute to the various industries in the Hondo area, explained that the week will be the first week in April.

He said special exhibits will be sought from business and industry so they might be viewed by the public. Superintendent Kenneth Flory said that it might be possible again this year to hold an assembly for McDowell Middle School students so they can hear various industrial representatives.

Golden croakers to hit the market

AUSTIN -- Lucky home-makers in the San Antonio area will be the first to try a new item available at their seafood counters, the golden croaker.

Beginning the middle of March, several supermarkets in San Antonio, in a cooperative program with the Texas Parks and Wildlife Department, will feature the fish at a special promotional price of 49 cents per pound.

The program will last three weeks and will be supported by newspaper advertisements paid by the supermarkets. The department's seafood home economist, Rocille Campbell, and two other demonstrators will visit various stores to pass out free samples of the cooked product.

It's all part of a project to establish the golden croaker as a commercial species to be sold alongside redfish, speckled trout and flounder. The golden croaker is related to the redfish and black drum.

Weighing from 1/4 to 1/2 pounds dressed, they will be sold as headless "pan-dressed" fish, ready to cook.

According to Parks and Wildlife Department offi-

cials, golden croaker are a generally ignored but excellent fish of which Texas has a large supply.

The fish, which are caught in abundance during shrimp trawling, are usually thrown back when shrimpers cull shrimp from fish. They die and are therefore wasted.

Department seafood marketing specialist Bill Schwartz predicts the new fish will be accepted in the marketplace because consumers are becoming better seafood users and are looking for protein bargains.

Volleyballers to play Tues

The Hondo High School girls volleyball team will have an open date today, but action resumes on the netted court Tuesday March 12 as Devine's team comes to Hondo for a game with the new Hondo team.

Game time for that contest, involving High School A and B teams, plus a Jr. High team, will be 5:30 p.m.

Red Cross to assist survey

The American Red Cross will be assisting the Social Security Administration in locating persons who may be eligible for the new Supplemental Security Income which was enacted into law and became effective January 1, 1974.

Mrs. W. P. Guinn, local Red Cross volunteer, states, "Under this program many of our elderly who either did not work under Social Security or may not have been able to get Welfare Assistance may qualify are anxious to talk with them or with those who are permanently disabled or blind and assist in making an application." The telephone number to call is 426-3216.

Supplemental Security is a new national program of income maintenance administered by Social Security. The new program will replace the present Federal-State programs of monthly cash public assistance to the aged, blind, and disabled.

Supplemental Security income will be administered by the Social Security Administration and will start in January 1974.

People now getting monthly State Public assistance payments because they are aged, blind or disabled generally are being converted to the Federal rolls. They don't have to apply for the new Federal Supplemental Security income payments.

New applicants must file

MISS MEDINA VALLEY for 1974 is Miss Phyllis Schuehle, a junior at Medina Valley High School and daughter of Mr. and Mrs. John Schuehle, Jr. She was selected February 28 during the annual pageant, where Little Miss and Mister Medina Valley were

also chosen. They are Lynda Lee Jungman, daughter of Mr. and Mrs. Tom Jungman, and Curtis Haby, son of Mr. and Mrs. Leroy Haby. Lynda Lee is the granddaughter of Mr. and Mrs. G. O. Braden of Hondo. Her mother is the former Barbara Braden.

FOUR GENERATIONS... are represented in this picture taken on the first birthday of little Shannon Layne of Devine. Shown

with her are (l-r) grandmother Mrs. Albert Wilson, great-grandmother Mrs. F. H. Hollmig and mother Mrs. Sam Centilli.

Obituaries

John T. Martin

John T. Martin, 65, of Pipe Creek died February 26, 1974 at Methodist Hospital, San Antonio.

He was born November 15, 1908 in Medina County to August Martin and Antje Schweers Martin, both of whom preceded him in death. A retired stock farmer and rancher at the time of his death, he was a member of the New Fountain Methodist Church and a member of the W.O.W. Lodge.

Four brothers and a sister preceded him in death.

He is survived by his wife, Mrs. Alma Fasel Martin of Pipe Creek; a son, Lester John Martin of

Helotes; daughter, Mrs. Jess (Evelyn) Pearce of Pipe Creek; two sisters, Mrs. Arnold Nietenhoefer and Mrs. Ellen Callan, both of Hondo; six grandchildren and many friends.

Funeral services were held February 28 in Guinn-Horger Chapel with Rev. B. L. Mattingly of First United Methodist Church of Dilley officiating.

Interment was in Oakwood Cemetery.

Pallbearers included Homer Martin, Gerhardt Weynand, Wilkes Martin, Clinton Martin, Sterling Martin and John Carpenter.

Funeral arrangements were by Guinn-Horger Funeral Home, Hondo.

THE STATE OF TEXAS] COUNTY OF MEDINA]

TO ALL WHOM THIS MAY CONCERN:

By virtue of authority vested in me by law, I hereby Order and Notice is hereby given, that there will be an election held on Saturday, April 6, 1974 by the qualified voters of the Commissioners precincts numbers one and three in said county, at the usual voting places in and for each school district in said commissioners precincts

for the purpose of electing County Trustees as follows:

[1] For the election of one County Trustee for Commissioner's Precinct No. 1. Said trustee to be elected by the qualified voters of precinct No. 1.

[2] For the election of one County Trustee for Commissioner's Precinct No. 3. Said trustee to be elected by the qualified voters of Precinct No. 3.

[3] Said election shall be held at the same time and place and by the same election officers who hold the election of school trustees in and for each school district; and the polls of said election places shall be open at 8 o'clock a.m. and not close before 7 o'clock p.m.

Any citizen who desires to have his name printed on the official ballot as a candidate for school trustee is requested under the School laws of Texas to make application therefore to the County Judge not less than thirty (30) days before the day of election. Witness my Official hand and seal of office, at Hondo, Texas on the 15th day of February A.D. 1974.

Texas Industrial Week planned again this year

Discussion of Texas Industrial Week highlighted the agenda of the monthly Hondo Chamber of Commerce director meeting.

Larry Oefinger, who has

headed the event which pays special tribute to the various industries in the Hondo area, explained that the week will be the first week in April.

He said special exhibits

will be sought from business and industry so they might be viewed by the public. Superintendent Kenneth Flory said that it might be possible again this year to hold an assembly for McDowell Middle School students so they can hear various industrial representatives.

Full details will be worked out on the special week by Oefinger, Bob Van de Walle, Burnis Lawrence and Harry Fillman.

Bruce Foster suggested that the Chamber look into the possibility of the formation of a boys' choral group in Hondo. He will head a committee to study the possibility.

Colonel J. Pugh of the Air Force Flight Screening program in Hondo met with the board and briefly explained a "Hondo Day" at Lackland AFB. He said Brig. Gen. Cecil Fox, commander of the Officer Training School at Lackland, and Col. W. J. McCrary, base commander at Lackland, would like to meet with the Chamber board at the April meeting to give more details on this proposed project for sometime in May.

MISS MEDINA VALLEY for 1974 is Miss Phyllis Schuehle, a junior at Medina Valley High School and daughter of Mr. and Mrs. John Schuehle, Jr. She was selected February 28 during the annual pageant, where Little Miss and Mister Medina Valley were

also chosen. They are Lynda Lee Jungman, daughter of Mr. and Mrs. Tom Jungman, and Curtis Haby, son of Mr. and Mrs. Leroy Haby. Lynda Lee is the granddaughter of Mr. and Mrs. G. O. Braden of Hondo. Her mother is the former Barbara Braden.

FOUR GENERATIONS. are represented in this picture taken on the first birthday of little Shannon Layne of Devine. Shown

with her are [l-r] grandmother Mrs. Albert Wilson, great-grandmother Mrs. F. H. Hollmig and mother Mrs. Sam Centilli.

Golden croakers to hit the market

AUSTIN -- Lucky home-makers in the San Antonio area will be the first to try a new item available at their seafood counters, the golden croaker.

Beginning the middle of March, several supermarkets in San Antonio, in a cooperative program with the Texas Parks and Wildlife Department, will feature the fish at a special promotional price of 49 cents per pound.

The program will last three weeks and will be supported by newspaper advertisements paid by the supermarkets. The department's seafood home economist, Rocille Campbell, and two other demonstrators will visit various stores to pass out free samples of the cooked product.

It's all part of a project to establish the golden croaker as a commercial species to be sold alongside redfish, speckled trout and flounder. The golden croaker is related to the redfish and black drum.

Weighing from 1/4 to 1/2 pounds dressed, they will be sold as headless "pan-dressed" fish, ready to cook.

According to Parks and Wildlife Department offi-

cials, golden croaker are a generally ignored but excellent fish of which Texas has a large supply.

The fish, which are caught in abundance during shrimp trawling, are usually thrown back when shrimpers cull shrimp from fish. They die and are therefore wasted.

Department seafood marketing specialist Bill Schwartz predicts the new fish will be accepted in the marketplace because consumers are becoming better seafood users and are looking for protein bargains.

Volleyballers to play Tues

The Hondo High School girls volleyball team will have an open date today, but action resumes on the netted court Tuesday March 12 as Devine's team comes to Hondo for a game with the new Hondo team.

Game time for that contest, involving High School A and B teams, plus a Jr. High team, will be 5:30 p.m.

Red Cross to assist survey

The American Red Cross will be assisting the Social Security Administration in locating persons who may be eligible for the new Supplemental Security Income which was enacted into law and became effective January 1, 1974.

Mrs. W. P. Guinn, local Red Cross volunteer, states, "Under this program many of our elderly who either did not work under Social Security or may not have been able to get Welfare Assistance may qualify as anxious to talk with them or with those who are permanently disabled or blind and assist in making an application." The telephone number to call is 426-3216.

Supplemental Security is a new national program of income maintenance administered by Social Security. The new program will replace the present Federal-State programs of monthly cash public assistance to the aged, blind, and disabled.

Supplemental Security income will be administered by the Social Security Administration and will start in January 1974.

People now getting monthly State Public assistance payments because they are aged, blind or disabled generally are being converted to the Federal rolls. They don't have to apply for the new Federal Supplemental Security income payments.

New applicants must file

Obituaries

John T. Martin

John T. Martin, 65, of Pipe Creek died February 26, 1974 at Methodist Hospital, San Antonio.

He was born November 15, 1908 in Medina County to August Martin and Antje Schweers Martin, both of whom preceded him in death. A retired stock farmer and rancher at the time of his death, he was a member of the New Fountain Methodist Church and a member of the W.O.W. Lodge.

Four brothers and a sister preceded him in death.

He is survived by his wife, Mrs. Alma Faseler Martin of Pipe Creek; a son, Lester John Martin of

Helotes; daughter, Mrs. Jess (Evelyn) Pearce of Pipe Creek; two sisters, Mrs. Arnold Nietenhoefer and Mrs. Ellen Callan, both of Hondo; six grandchildren and many friends.

Funeral services were held February 28 in Guinn-Horger Chapel with Rev. B. L. Mattingly of First United Methodist Church of Dilley officiating.

Interment was in Oakwood Cemetery.

Pallbearers included Homer Martin, Gerhard Weynand, Wilkes Martin, Clinton Martin, Sterling Martin and John Carpenter.

Funeral arrangements were by Guinn-Horger Funeral Home, Hondo.

Owl baseball team now stands at 2-0

The Hondo Owls are now 2-0 in their young baseball season as they have dispatched Somerset and San Antonio Cole in the first two games of the year.

Friday the Owls posted a 12-2 victory over Somerset as Bobby Cox blasted a home run in the third pitch of the game and the team took off from there. Hondo scored 10 runs in the first four innings. Simon Arcos led the Hondo attack with three hits including a triple, and six runs batted in. Alex Mendoza gathered two hits, a double and a triple.

Picking up the initial Hondo victory was Gordon Bohmfalk, who had help from Raul Dominguez. Baderma took the loss for Somerset. Somerset had only four hits in the game.

COLE
Tuesday Cole of San Antonio was in Hondo for the Owls' home opener. Though both sides showed pitching problems in the early going, Hondo took the victory 7-5.

Starter Bob Spears was credited with the win for Hondo. The strong left-hander began with some control problems as he walked eight batters, but he managed to hold the lid down on Cole. Tony Muniz came in to relieve in the fourth inning, and he pitched three scoreless innings for Hondo.

Control problems were not the sole property of Hondo. Toupal, starter for Cole, walked nine Owls in the first three innings, including walking three men to score. He also was relieved in the fourth inning by Hohi, who eventually was credited with the loss.

Mike Groff led the Hondo hitting attack, gathering two of Hondo's four hits. Cole had a total of five hits in the game.

Tonight Hondo will face D'hanis in the first round of the Medina County Baseball tournament on Hondo High School's diamond. Game time is 7:30 p.m.

Monday the Owls will be in Fredericksburg for a 4:15 game against the Battlin' Billies.

Tuesday they will be at home in Hondo against Bander for a 7:30 game under the lights. Beginning Thursday and continuing through Saturday Hondo will play in the Uvalde Invitational tournament.

TIPOFF... in last week's bi-district game between D'hanis and Utopia pitted the Cowboys Richard Rothe [12] against John Moore [22] of

Utopia. Moore, with a few inches on Rothe, proved the higher tipster and that was the way of the whole ball game as Utopia

outscored the Cowboys 52-44. Utopia was later eliminated in Regional tourney. [Photo by Fr. Victor.]

Track team takes third at Devine; to Pearsall Saturday

Carrizo Springs upended the Devine Warhorses in the final event of the Warhorse Relays, the Mile Relay. That win gave Carrizo the points to nose out Devine and end the long-standing home domination of the tourney.

Devine could have taken second place in the mile relay and still won the meet, but Hondo's second year trackmen nosed out the Warhorse team to knock Devine out of the lead.

Final standings were very close with Carrizo in first place at 105 points, Devine second with 102 and Hondo close by at 101 in third.

Dille finished a distant fourth with only 58 points, and Pearsall took fifth. Medina Valley ended the day in seventh place among the ten contestant

schools.

Hondo's finest showings came in the hurdles and the dash competition. In the 100-yard dash, Gene McAnelly was first and Bobby Cox second. In the 120-yard hurdles, Eddie Pope took first place and Paul Pope second.

Cox and McAnelly switched places in the 220-yard dash as Cox won and Gene was second. Also finishing in first place was the Hondo 440-relay team of Lee Haile, Sammy Nooner, Cox and McAnelly.

High point man in the meet was Noel Pompa, who earned 22 points with first place in high jump, second in long jump, and fourth in the pole vault.

Saturday the Owls will be in Pearsall at the Maverick Relays.

Team standings—1. Carrizo Springs, 105; 2. Devine, 102; 3. Hondo, 101; 4. Dille, 58; 5. Pearsall, 57; 6. Somerset, 38; 7. Medina Valley, 35; 8. Southside, 22; 9. Portlet, 8; 10. Cotulla.

Shot put—1. David Studdard, Pearsall, 27' 1 1/2"; 2. Billy Ricks, Devine, 26' 1 1/2"; 3. Homer Hernandez, Devine, 26' 1 1/2"; 4. Ted Mendoza, Hondo, 25' 4"; 5. Domingo Villarreal, Devine, 24' 11 1/2"; 6. David Wehrum, Pearsall, 24' 11 1/2".

Discus—1. Ricks, Devine, 133'; 2. Chuck Carroll, Pearsall, 132'; 3. Mike Carter, Devine, 130' 1 1/2"; 4. Whitman, Pearsall, 127'; 5. Studdard, Pearsall, 127' 1 1/2".

127' 1 1/2"; 6. Mario Garza, Medina Valley, 120' 4".

Long jump—1. Rod Garcia, Dille, 19' 4"; 2. Noel Pompa, Devine, 19' 1 1/2"; 3. R. Ellison, Portlet, 18' 10 1/2"; 4. Jack Smith, Devine, 18' 3 1/4"; 5. Alfonso Esquivel, Carrizo Springs, 18' 8"; 6. Gene McAnelly, Hondo, 18' 7".

High jump—1. Pompa, Devine, 4' 0"; 2. Mike James, Somerset, 3' 11 1/2"; 3. M. Bookout, Carrizo Springs, 3' 11 1/2"; 4. Kewick, Carrizo Springs, 3' 11 1/2"; 5. (Only four cleared opening height).

Pole vault—1. Gib Wharton, Dille, 11' 6"; 2. Dallas Collins, Pearsall, 3' 11 1/2"; 3. R. Lopez, Carrizo Springs, 3' 11 1/2"; 4. (Only four cleared opening height).

440-yard relay—1. Hondo (Haile, Nooner, Cox, McAnelly), 44; 2. Devine; 3. Carrizo Springs; 4. Southside; 5. Medina Valley; 6. Somerset.

880-yard run—1. J. Martinez, Somerset, 2:07.7; 2. Bander, Dille, 3; Ashberry, Carrizo Springs; 4. Lopez, Somerset; 5. Gutierrez, Devine; 6. R. Bassett, Devine.

120-yard high hurdles—1. E. Pope, Hondo, 1:58; 2. P. Pope, Hondo; 3. Mattinelli, Dille; 4. A. Trevino, Pearsall; 5. R. Moore, Devine; 6. Kewick, Carrizo Springs.

100-yard dash—1. McAnelly, Hondo, 1:05; 2. Cox, Hondo; 3. Rutledge, Carrizo Springs; 4. Hodges, Southside; 5. Hernandez, Carrizo Springs; 6. Nooner, Hondo.

440-yard dash—1. Juarez, Carrizo Springs, 1:51.2; 2. Garcia, Dille; 3. McCaleb, Southside; 4. Hector, Medina Valley; 5. Martinez, Carrizo Springs; 6. Hernandez, Carrizo Springs.

330-yard intermediate hurdles—1. Moore, Devine, 4:28; 2. Wharton, Dille; 3. Kewick, Carrizo Springs; 4. Tschirhart, Medina Valley; 5. E. Pope, Hondo; 6. Whitman, Carrizo Springs.

220-yard dash—1. Cox, Hondo, 23.4; 2. McAnelly, Hondo; 3. Esquivel, Carrizo Springs; 4. Hodges, Southside; 5. R. Lopez, Carrizo Springs; 6. Hernandez, Carrizo Springs.

100-yard dash—1. McAnelly, Hondo, 1:05; 2. Cox, Hondo; 3. Rutledge, Carrizo Springs; 4. Hodges, Southside; 5. Hernandez, Carrizo Springs; 6. Nooner, Hondo.

440-yard dash—1. Juarez, Carrizo Springs, 1:51.2; 2. Garcia, Dille; 3. McCaleb, Southside; 4. Hector, Medina Valley; 5. Martinez, Carrizo Springs; 6. Hernandez, Carrizo Springs.

Little League tryouts set

Tryouts for the Major League will be held Saturday, March 23. All boys 10-12 years old will attend this tryout in order to be assigned to a team.

Hondo Little League President Albert Rowlett announced Monday the new dates for 1974 Hondo-D'hanis Little League signups.

Signups will be conducted on Monday evenings, March 11 and 18,

beginning at 7:30 p.m. It will be conducted in the Meyer School cafeteria.

Registration will be ages 8-12 for Little League, and 13-15 for Senior League. Cutoff date for registration for either league is March 22.

The March 11 signup meeting will also include a business meeting to organize the League.

A managers' meeting will be held on March 25.

Gun Club sponsors shoot Sunday

The Medina County Gun Club will sponsor a metallic silhouette target shoot at the public range west of the Hondo City Park on Sunday, March 10, at 2 p.m.

Targets are made of steel plate cut to the shape of chickens and javelinas. The chickens are one-half natural size. Javelinas are

life size. Five chickens are set on pedestals at 100 yards and five javelinas are at 200 yards.

Each shooter is allowed

SHOOTING INSTRUCTOR Darwin Schrader shows one of the steel plate javelina targets to be used in upcoming shooting contest.

2 1/2 minutes to fire five shots at the five chickens or the five pigs. When hit, the targets fall from the pedestal. The shooter who knocks down the greater

number of targets is the winner.

Any center fire hunting rifle may be used. Scopes of any power are permitted. All shooting is done from the standing position without sling, palm rest or hook butt plate.

A range fee of 50c for each five shot string will be charged to help pay for the targets.

Anyone interested in shooting is invited to participate.

GEORGE MEKETA of San Antonio places a steel chicken target on the railing in preparation for shooting meet.

Richards is named to All-District cage squad

Paul Richards, 6' 7" sophomore center of the Hondo Owls, was named to the District 28-AA All-District basketball team.

He is joined by Mario Garza, 6' 4" center from the District Champion Medina Valley Panthers; Homer Hernandez, 6' 1" guard from Devine; Pearsall's 6' 3" senior center David Studdard, Mark Mattingly, 6' 3" junior center from Dille, and 5' 9" guard Elifonso Esquivel of Carrizo Springs. Esquivel is a senior.

There were six players on the first team due to

ties in voting.

The second team also included one Hondo Mike Groff.

Also included in that list are David DeCock of Medina Valley, Robert Gonzales from Devine; Dille's Richard Ewald and Hank Carroll of Pearsall.

DeCock and Ewald are both seniors; the others are juniors.

Cotulla was the only district team which did not place a player on either the first or second teams.

Cowboys lose to MV

The D'hanis Cowboys lost their second baseball game of the season Tuesday, 8-2 to Medina Valley. Earlier, the Cowboys lost their season opener to Devine by a 13-6 margin.

Winning pitcher in the Medina Valley game was James Bendele, who with reliever David DeCock, allowed only four Cowboy hits. Losing pitcher for D'hanis was Ricky Rothe. The Panthers racked up

twelve hits in that game.

Leading D'hanis hitters was Richard Rothe with two singles, followed by Ronny Rothe and Bobby Joe Rothe with one each.

Tonight the Cowboys will go against Hondo in the first round of the Medina County tournament. Game time is 7:30 p.m.

Tuesday afternoon, Carrizo Springs will be at D'hanis for a 4 p.m. game.

More about...

Laser

years," he said. Carlock added it will mean seven families moving to Hondo immediately.

He also said the company will build a regulation football field on which to test the equipment and that the field will be available to town groups or young people.

The company signed a 25-year lease on the property, with an option to renew for 25 years. Lease figures are \$10 per acre, which is the going rate on the bare ground airbase property.

The prototype model of the company's machine for aligning the ball after each down was demonstrated in San Antonio last year, and the machine was actually used by the San Antonio Toros in a scrimmage game.

Any coach, player or fan whose team has been damaged in a crucial situation by a questionable placement of the football on a key down will immediately understand the reason for the machine's existence. It takes the human factors out of determining the exact spot on the field on which the ball should be placed.

LaserLign, as the outfit is called, throws a laser beam across a football field at perfect right angle to the sideline and will determine the exact position of the ball on critical first down situations without bringing out the chains. Human eyesight will become a minimal factor in the placement of the ball.

The official will have in his possession a receptor rod that flashes brightly when contacted by the laser beam. He puts the ball at that spot on incomplete pass plays, refused penalty plays, etc. to see that the play begins at exactly the right position.

When the offensive team gains or loses ground, the receptor rod is held at the nose of the ball and the laser beam is moved until it is exactly aligned, thus establishing the proper position of the ball.

The chain will still be used to measure 10 yards from the point of origination of a series of downs, but instead of bringing the stakes out to the ball, the beam is now used to locate the precise position and this is used to determine whether the first down is made or not.

If the beam is ahead of the stake, it's a first down. If it's behind it, it's not.

The laser beam projector runs on a rail at the side of the field and six feet away from the sidelines. It is shielded by a soft plastic covering, which is all but unbreakable, in order to protect both the machine and players.

Carlock says that the company has a firm commitment for a number of the machines and the new World Football League is interested in using it. The company plans to lease the machines through specific companies who in turn will rent the machines to various teams.

SPORT FACTS

Ralph Hauger

Horse racing is in the news again in Texas. But did you know that last year in New York, off-track bettors evidently forgot to collect over \$4 million in winnings? Through half the present fiscal year, totals already top \$2 million.

Yogi Berra, no giant on the golf course, remarked after landing in a sand trap on a Par 3 hole, "Im awful in the traps. It's the worst part of my game." After blasting out to within 3-inches of the cup he looked around and said, "What did I do wrong?"

AMZOIL Synthetic Motor Oil

What Does It Mean?

- It means a lubricating substance synthesized from fatty acids and Isopropyl Alcohol. AMZOIL®, a diester instead of a hydrocarbon, is more tightly bonded than petroleum motor oils. It can't break down to form sludge, gum or varnish.
- It means 25,000 miles or one year between changes. AMZOIL® can't be fouled by Chemical Reactions with exhaust gases, so there's no sludge to be carried by the oil.
- It means 12% higher gas mileage, 6% higher horsepower. These figures are averages based on AMZOIL'S® high film strength — over 6 times higher than petroleum oils. This means it clings to metal parts to cause less friction ... less wear ... more power.
- It means AMZOIL® can actually clean your engine while it works. AMZOIL® is a high detergent oil, which can actually remove tar and sludge from your engine's interior. It can reduce and/or eliminate gummy rings, sticky lifters, and varnish-glazed seals and piston walls. AMZOIL® can also restore neoprene gaskets — won't shrink cork gaskets.
- It means faster, easier starts in all weather. Petroleum 10W-40 Oil has a lubrication range of 0° to +300° F. AMZOIL'S® range is from -60° to 400° F. AMZOIL® can help save your battery through easier starts.
- It means AMZOIL® is warranted. A recognized automotive testing laboratory certified it exceeds all automobile manufacturers' warranty requirements — using AMZOIL® will not violate or nullify your engine's warranty.

- It means that at \$3.50 per quart, AMZOIL® can save you money. Most petroleum oil manufacturers recommend oil change every 3 months or 3,000 miles. AMZOIL'S® 25,000 mile range lets you save up to \$20 on oil changes (based on petroleum oil at 95c per quart, 5 quarts, 8 oil changes).
- It means AMZOIL® just may be the world's finest engine lubricant ever developed, for these reasons and more.

Owl baseball team now stands at 2-0

The Hondo Owls are now 2-0 in their young baseball season as they have dispatched Somerset and San Antonio Cole in the first two games of the year.

Friday the Owls posted a 12-2 victory over Somerset as Bobby Cox blasted a home run in the third pitch of the game and the team took off from

there. Hondo scored 10 runs in the first four innings. Simon Arcos led the Hondo attack with three hits including a triple, and six runs batted in. Alex Mendoza gathered two hits, a double and a triple.

Picking up the initial Hondo victory was Gordon Bohmfalk, who had help from Raul Dominguez. Baderma took the loss for Somerset. Somerset had only four hits in the game.

Control problems were not the sole property of Hondo. Toupal, starter for Cole, walked nine Owls in the first three innings, including walking three men to score. He also was relieved in the fourth inning by Hohl, who eventually was credited with the loss.

Mike Groff led the Hondo hitting attack, gathering two of Hondo's four hits. Cole had a total of five hits in the game.

Tonight Hondo will face D'Hanis in the first round of the Medina County Baseball tournament on Hondo High School's diamond. Game time is 7:30 p.m.

Monday the Owls will be in Fredericksburg for a 4:15 game against the Battlin' Billies.

Starter Bob Spears was credited with the win for Hondo. The strong left-hander began with some control problems as he walked eight batters, but he managed to hold the lid down on Cole. Tony Muniz came in to relieve in the fourth inning, and he pitched three scoreless innings for Hondo.

Friday's second round will pit the winners at 5 p.m. and consolation will be at 7:30.

Dilley finished a distant fourth with only 58 points, and Pearsall took fifth. Medina Valley ended the day in seventh place among the ten contestant

TIPOFF... In last week's bi-district game between D'Hanis and Utopia pitted the Cowboys Richard Rothe [12] against John Moore [22] of

Utopia. Moore, with a few inches on Rothe, proved the higher tipster and that was the way of the whole ball game as Utopia

outscored the Cowboys 52-44. Utopia was later eliminated in Regional tourney. [Photo by Fr. Victor.]

Richards is named to All-District cage squad

Paul Richards, 6' 7" sophomore center of the Hondo Owls, was named to the District 28-AA All-District basketball team.

He is joined by Mario Garza, 6' 4" center from the District Champion Medina Valley Panthers; Homer Hernandez, 6' 1" guard from Devine; Pear-sall's 6' 3" senior center David Studdard, Mark Mattingly, 6' 3" junior center from Dilley, and 5' 9" guard Elifonso Esquivel of Carrizo Springs. Esquivel is a senior.

There were six players on the first team due to

ties in voting.

The second team also included one Hondo Mike Groff.

Also included in that list are David DeCock of Medina Valley, Robert Gonzales from Devine; Dilley's Richard Ewald and Hank Carroll of Pearsall.

DeCock and Ewald are both seniors; the others are juniors.

Cotulla was the only district team which did not place a player on either the first or second teams.

Cowboys lose to MV

The D'Hanis Cowboys lost their second baseball game of the season Tuesday, 8-2 to Medina Valley. Earlier, the Cowboys lost their season opener to Devine by a 13-6 margin.

Winning pitcher in the Medina Valley game was James Bendele, who with reliever David DeCock, allowed only four Cowboy hits. Losing pitcher for D'Hanis was Ricky Rothe.

The Panthers racked up

twelve hits in that game.

Leading D'Hanis hitters was Richard Rothe with two singles, followed by Ronny Rothe and Bobby Joe Rothe with one each.

Tonight the Cowboys will go against Hondo in the first round of the Medina County tournament. Game time is 7:30 p.m.

Tuesday afternoon, Carrizo Springs will be at D'Hanis for a 4 p.m. game.

Track team takes third at Devine; to Pearsall Saturday

Carrizo Springs upended the Devine Warhorses in the final event of the Warhorse Relays, the Mile Relay. That win gave Carrizo the points to nose out Devine and end the long-standing home domination of the tourney.

Devine could have taken second place in the mile relay and still won the meet, but Hondo's second year trackmen nosed out the Warhorse team to knock Devine out of the lead.

Hondo's finest showings came in the hurdles and the dash competition. In the 100-yard dash, Gene McAnelly was first and Bobby Cox second. In the 120-yard hurdles, Eddie Pope took first place and Paul Pope second.

Cox and McAnelly switched places in the 220-yard dash as Cox won and Gene was second. Also finishing in first place was the Hondo 440-relay team of Lee Haille, Sammy Nooner, Cox and McAnelly.

High point man in the meet was Noel Pompa, who earned 22 points with first place in high jump, second in long jump, and fourth in the pole vault.

Saturday the Owls will be in Pearsall at the Maverick Relays.

Team standings—1, Carrizo Springs, 105; 2, Devine, 102; 3, Hondo, 101; 4, Dilley, 58; 5, Pearsall, 37; 6, Somerset, 36; 7, Medina Valley, 25; 8, Southside, 22; 9, Pahr, 10; 10, Lubbock.

Shot put—1, David Studdard, Pearsall, 127.12; 2, Billy Ricks, Devine, 65.42; 3, Homer Hernandez, Devine, 69.1; 4, Ted Mendoza, Hondo, 45.4; 5, Domingo Villarreal, Devine, 44.11; 6, David Weirum, Pahr, 44.11.

Discus—1, Rick DeVine, 133.1; 2, Chuck Carroll, Pahr, 102.7; 3, Mike Carter, Devine, 107.12; 4, Whitman, Pearsall, 127.2; 5, Studdard, Pearsall, 127.1; 6, Mario Garza, Medina Valley, 126.4.

Long jump—1, Rod Garcia, Dilley, 19.4; 2, Noel Pompa, Devine, 19.12; 3, R. Ellison, Pahr, 18.10; 4, Jop Schott, Devine, 18.93; 5, Antonio Esquivel, Carrizo Springs, 18.8; 6, Gene McAnelly, Hondo, 18.7.

High jump—1, Pompa, Devine, 6.0; 2, Mike James, Somerset, 5.11; 3, (tie) M. Bookout, Carrizo Springs, R. Kewick, Carrizo Springs (Only four cleared opening height); 4, Devine, 5.0; 5, R. Hernandez, Carrizo Springs, 4.11; 6, Devine, 4.0.

Little League tryouts set

Tryouts for the Major League will be held Saturday, March 23. All boys 10-12 years old will attend this tryout in order to be assigned to a team.

Hondo Little League President Albert Rowlett announced Monday the new dates for 1974 Hondo-D'Hanis Little League signups.

Signups will be conducted on Monday evenings, March 11 and 18,

beginning at 7:30 p.m. It will be conducted in the Meyer School cafeteria.

Registration will be ages 8-12 for Little League, and 13-15 for Senior League. Cutoff date for registration for either league is March 22.

The March 11 signup meeting will also include a business meeting to organize the League.

A managers' meeting will be held on March 25.

Gun Club sponsors shoot Sunday

The Medina County Gun Club will sponsor a metallic silhouette target shoot at the public range west of the Hondo City Park on Sunday, March 10, at 2 p.m.

Targets are made of steel plate cut to the shape of chickens and javelinas. The chickens are one-half natural size. Javelinas are

life size. Five chickens are set on pedestals at 100 yards and five javelinas are at 200 yards.

Each shooter is allowed

SHOOTING INSTRUCTOR Darwin Schrader shows one of the steel plate javelina targets to be used in upcoming shooting contest.

2½ minutes to fire five shots at the five chickens or the five pigs. When hit, the targets fall from the pedestal. The shooter who knocks down the greater

number of targets is the winner.

Any center fire hunting rifle may be used. Scopes of any power are permitted. All shooting is done from the standing position without sling, palm rest or hook butt plate.

A range fee of 50¢ for each five shot string will be charged to help pay for the targets.

Anyone interested in shooting is invited to participate.

Mrs. Archie Burns Dies
Mrs. Archie (Georgia Pruitt) Burns, 62, of Ozark, Ala. passed away at her home Friday, Feb. 15, 1974.

Mrs. Burns was born Dec. 10, 1911 at Sabinal, Texas. She was the daughter of the late George Pruitt and Mrs. Pearl (Pruitt) Scott.

She is survived by one daughter, Mrs. Bill (Georgeann) Rummels of Nashville, Tenn.; two brothers, W. O. Pruitt of Frantiss, Texas and W. S. Pruitt of Natalia.

Also, five sisters, Mrs. Jack (Minnie Bell) Griffin of Sabinal; Mrs. Viron (Eva) Evans of Houston; Mrs. John (Florence) Smith of Montague, Calif.; Mrs. Lois Welch, Knippa, and Mrs. Gearon (Ann) Blankenship of Amarillo, and a host of nieces and nephews.

Mrs. Burns was a member of the Baptist Church and at the time of her death, she was employed as a hostess at the Holiday Inn.

Funeral services were held on Wednesday, Feb. 20, at 10 a.m. at the local Baptist Church.

Burial was in the local cemetery.

Personals

Mrs. C. V. Kerr, Mrs. Lee A. Estep, Miss Gina Day and Mrs. John R. White motored to Pleasanton Tuesday evening to attend the Sunday School Clinic for teachers and workers held at the Trinity Baptist Church.

W. S. Pruitt returned home Saturday afternoon from Houston after having been on a trip to Ozark, Ala. with his sister and brother-in-law, the Viron Evanses of Houston, to attend the 10 a.m. funeral on Feb. 20 of their sister, Mrs. Archie Burns.

Mrs. Ann Powell returned home Thursday afternoon after having visited since Tuesday in San Antonio with Mmes. Dorothy Haley and Bea Scoggins.

Airman 1stC Luciana Pena from Columbus AFB, Miss. arrived Friday to visit until Tuesday with his parents, the Luciano Penas Sr.

Mr. and Mrs. Ted

Shults, students at SWTSU came home Friday for the weekend of their parents, the Victor Keilmanns, and the Harvey M. Shultses and Elizabeth.

The Iven W. Thompsons motored to Missouri City Monday morning and visited until Tuesday afternoon with her niece and family, Mr. and Mrs. Timothy. They visited Thompson's brother and sister-in-law, Dr. and Mrs. Elmer D. Thompson of Lubbock, at the Methodist Hospital in Houston. Dr. Thompson is a patient there.

Reverend and Mrs. Franklin Pullin, Gregory, Lisa and Jeffrey moved to Seguin Saturday where Rev. Pullin will serve as pastor of the First Baptist Church. He had been pastor of the Natalia Baptist Church for four years. Reverend F. E. Turner preached for both services Sunday at the Natalia Baptist Church.

Mesdames C. V. Kerr, Roy E. Allison, Charles C. Pierson, J. W. Clawson, A. L. Simmons and Mrs. Marvin Costlough attended the WMU meeting and salad luncheon at the Black Creek Baptist Church Wednesday, Mrs. J. A. Roberson taught the Mission book "The Cutting Edge."

Mrs. E. H. Whittington was re-admitted to Baptist Memorial Hospital Monday afternoon for treatment.

Mrs. John McCoy McCoy returned to her home in Wrey, Colo. Saturday after visiting a month with her parents, the S. A. Mays. Mrs. Mays is a patient at Wilford Hall Hospital.

Mr. and Mrs. Ralph Bulkley, Devine, honored her mother, Mrs. W. S. Pruitt, on her birthday Wednesday night with cake and ice cream at their home. Mrs. Pruitt was also honored with gifts, phone calls and cards from her other sons and daughters.

Mrs. W. H. Sutter, Mrs. Ruth Price and Mrs. C. V. Kerr motored to Cuero Sunday morning to hear the Gospel singing group, The Revelations from Victoria, sing at the First Presbyterian Church.

Stretch Your Food Dollar By Using Vegetables Wisely

With almost everything either in short supply or higher priced, Americans are finding ways to get more from the resources they use.

This type of thinking can easily be applied to the task of feeding one's family a well-balanced diet, says Rita Ruff, USDA extension home economist based in Milwaukee, Wis. Food budgets can often be stretched either by substituting one kind of food for another or by using food products more efficiently, she says.

"In the wake of rising food prices, many consumers are taking a close look at vegetable products to supplement the vitamins, minerals, and particularly, protein from meat and meat products," says Miss Ruff. "And with careful menu planning, they can indeed utilize vegetable nutrients as an alternative or supplement to meat."

When we refer to protein in the human diet, Miss Ruff continues, we are talking about amino acids, which are required to build, maintain and repair healthy tissues and to meet other body needs. These amino acids are contained in protein. Many of the proteins in meat and animal products contain all the amino acids the human body requires, so menu planning with these products is relatively simple.

"However," she notes, "other proteins contain only some of the essential amino acids. Vegetables usually contain these 'incomplete' forms of protein."

"It is indeed possible to combine several vegetable products in one meal which bring together all the necessary amino acids that meat normally contains," she points out, "by applying adequate knowledge and some discretion. Combining vegetables with at least one animal product such as fish, eggs, cheese, or milk makes the task easier. Extension offices throughout the country can offer guidance in selecting vegetables."

Different kinds of vegetables also vary in the type of vitamins and other nutrients they contain, Miss Ruff adds. Again, some knowledge is essential in order for the consumer to choose the right combination of vegetable products for a balanced menu.

Besides actually replacing meat products with vegetables, consumers can stretch their food dollar by using vegetables more wisely, Miss Ruff adds. One easy step to increase efficiency in the kitchen is simply to handle and prepare vegetables properly. This prevents loss of vitamins and nutrients which often occurs before the food reaches the table.

Also, the home economist says, a family menu planner needs to know where vitamins and nutrients are concentrated within the vegetable, for example whether they are found mainly in the stems or the leaves of a given item. This will provide guidance for trimming and serving the vegetable so that nutrients are retained.

One of the simplest - but often neglected - ways to encourage a family, particularly children, to eat more vegetables is to serve them in ways attractive to both the eye and the palate, Miss Ruff concludes. Developing a special knowledge of your family's taste and investing a little time to learn different and tempting recipes will enable the consumer to get more of the benefits from the vegetables she serves and to serve them more often.

Stretch Your Food Dollar By Using Vegetables Wisely

With almost everything either in short supply or higher priced, Americans are finding ways to get more from the resources they use.

This type of thinking can easily be applied to the task of feeding one's family a well-balanced diet, says Rita Ruff, USDA extension home economist based in Milwaukee, Wis. Food budgets can often be stretched either by substituting one kind of food for another or by using food products more efficiently, she says.

"In the wake of rising food prices, many consumers are taking a close look at vegetable products to supplement the vitamins, minerals, and particularly, protein from meat and meat products," says Miss Ruff. "And with careful menu planning, they can indeed utilize vegetable nutrients as an alternative or supplement to meat."

When we refer to protein in the human diet, Miss Ruff continues, we are talking about amino acids, which are required to build, maintain and repair healthy tissues and to meet other body needs. These amino acids are contained in meat. Many of the proteins in plant and animal products contain all the amino acids the human body requires, so menu planning with these products is relatively simple.

"However," she notes, "other proteins contain only some of the essential amino acids. Vegetables usually contain these 'incomplete' forms of protein."

"It is indeed possible to combine several vegetable products in one meal which bring together all the necessary amino acids that meat normally contains," she points out, "by applying adequate knowledge and some discretion. Combining vegetables with at least one animal product such as fish, eggs, cheese, or milk makes the task easier. Extension offices throughout the country can offer guidance in selecting vegetables."

Different kinds of vegetables also vary in the type of vita-

mins and other nutrients they contain, Miss Ruff adds. Again, some knowledge is essential in order for the consumer to choose the right combination of vegetable products for a balanced menu.

Besides actually replacing meat products with vegetables, consumers can stretch their food dollar by using vegetables more wisely. Miss Ruff adds. One easy step to increase efficiency in the kitchen is simply to handle and prepare vegetables properly. This prevents loss of vitamins and nutrients which often occurs before the food reaches the table.

Also, the home economist says, a family menu planner needs to know where vitamins and nutrients are concentrated within the vegetable, for example whether they are found mainly within the stems or the leaves of a given item. This will provide guidance for trimming and serving the vegetable so that nutrients are retained.

One of the simplest - but often neglected - ways to encourage a family, particularly children, to eat more vegetables is to serve them in ways attractive to both the eye and the palate. Miss Ruff concludes. Developing a special knowledge of your family's taste and investing a little time to learn different and tempting recipes will enable the consumer to get more of the benefits from the vegetables she serves and to serve them more often.

SUPPLEMENT TO
HONDO ANVIL HERALD

GUINN - HORGER FUNERAL HOME

Drawer H

Hondo, Texas 78861

Dear Friends:

Our friends in this community often ask us about a plan whereby they can make arrangements for themselves and their families before the need arises.

We now have a better plan than we have ever had before, a new kind of security.

Here are some of the things this plan can do for you:

- Assure that arrangements will be right.
- Guide survivors in how much to spend.
- Spare the family from making difficult decisions
- Provide a reduced price for services.
- Provide a hedge against inflation by controlling prices.
- Save insurance benefits for survivors.
- Provide when there is no family.
- Provide protection in case the need arises before expected.

No wonder more and more families are asking about our Funeral Trust Plan. We believe it is the very best plan available. It is not insurance, but is a new kind of security. We also have a "Family Record Book" which we feel will become one of the most important documents of your home.

For your FREE COPY of this record book, and further information about a Funeral Trust Plan, simply return the attached card. The returning of this card will in no way obligate you.

Sincerely.

Bud Guinn

P.S. This is not insurance.

MAIL THIS CARD TODAY!
